

Excellence in Education.

Letter from the Principal

TRINITY CATHOLIC SCHOOL • 706 EAST BREVARD STREET • TALLAHASSEE, FLORIDA 32308 • A MINISTRY OF BLESSED SACRAMENT

As we begin Catholic Schools Week we are aware that our school was built through the grace of God and the monetary support of parishioners who care about Catholic schools. Thank you to everyone who has helped Trinity to become the great school that it is!

This year we are celebrating Faith, Academics and Service in our schools. We are sharing 100 reasons why your child should be in a Catholic School in the church bulletins. I would like to highlight just three of those reasons that will make a difference in your child's life—

- At Trinity students are immersed in our Catholic faith for seven hours a day. Can you imagine how powerful that can be?
- At Trinity students come to understand that at the heart of every subject is Jesus, 'the way, the truth and the life'. Academic excellence at our school is unmatched by any other organization.
- At Trinity students learn about the connection between faith and service to the poor through school wide projects and small individual acts of kindness. Catholic Social teaching is fundamental at our school. It lays the ground work for a life of responsible Catholic citizenship in a culture of materialistic, image centric distortions of reality.

I invite you to come and see the school you have built and if you have a pre-school or elementary child consider enrolling him or her at Trinity. We will have an Open House this Tuesday morning, January 31st from 8:30 – 11:00. If you can't come on Tuesday, I encourage you to call and arrange a personal visit. At Trinity, "Faith, Academics and Service" are not just a slogan, but integral to our mission.

"The mission of Trinity Catholic School is to teach the Catholic faith within a challenging academic curriculum, laying the foundation for all students to grow in Christian maturity, integrity and knowledge."

Mrs. Janet Gendusa, Principal
