Why is Organization important?

Helps to

Improve
Grades

- Take your time and you will succeed in completing your school assignments.

Helps to

Reduce Stress

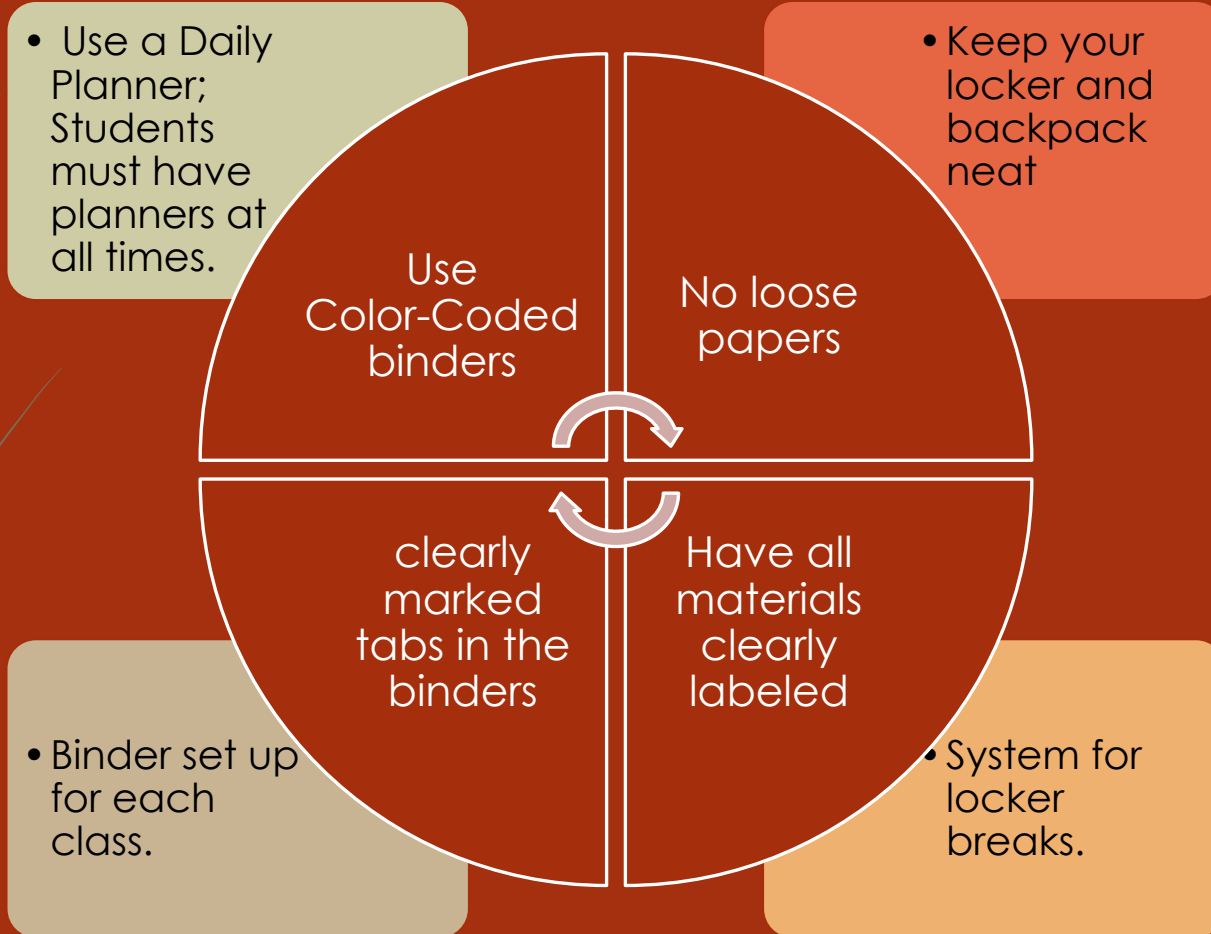

- Being organized helps you become owner of your time for your school work and other activities.
- Your assignments will be done in a timely manner.

Helps to

Feel Good
about yourself

- Managing your time helps you feel confident about what you can accomplish in school and in life!

Ways to start?

Locker & Binder Set up

- There are two ways to set up binders. This depends on the comfort of the student.
 - a 1 inch binder for each subject
 - a 2 inch binder for 2 subjects at a time
 - Students have locker breaks after 2 classes so this sometimes is better for the organization of a student.

tabs in the binder (except Special Area binder):

- notes
- bellwork
- homework
- tests/quizzes

Some subjects may have a bit of word change according to the work in the classroom.
