

# Welcome to Pk-3

Welcome to PK-3! We are excited to have you in our class next year. We have a lot of fun activities to help prepare you for PK-3.

---

We have made a list of suggestions of ways to engage and prepare your child for PK-3 this summer

### Social emotional skills

- Practice our Pre-k motto "Take Time to be Kind."
- Play board games to practice turn taking, following rules, and learning how to win and lose gracefully.

### Early literacy

- Have an adult or a sibling read to you each day
- Practice writing letters and learn their sounds
  - Use crayons, pencils, paint, shaving cream or even just water and a paintbrush on a hot day outside. If you know your sounds, practice writing words. Sound them out. Write about a special day or about a picture you drew.
- Go on a letter hunt! Have an alphabet page printed out and cross off any letter you see until they are all gone.
- Practice Heggerty Phonemic Awareness at home by watching these videos

### Math Skills

- Cook with your parents. Making a recipe is a great way to practice math, science, literacy, and daily living skills!
- Pool Noodle Pattern: You can use them for learning math and have fun. Cut them in slices, count and sort them by colors.

### Fine/Gross motor skills

- Play outside! Those big muscles need to be exercised too. Run around, play in water or sand boxes, use bubbles, hula hoops, and visit playgrounds.
- Have Fun outdoors: Create a Hopscotch by your garage or sidewalk. Write numbers or letters in each box and play saying the letter, sound or number.
- Fun Activity at the beach: Sensory skills. Collect seashells. Sort them by sizes, count them and make a fun craft.
