

# TRINITY CATHOLIC SCHOOL

2021-22 SCHOOL YEAR  
Protocols for controlling COVID-19  
Effective March 8, 2022

**01 PAUSE**  
Be surgical, not sweeping. Quickly assess and limit the impact.

**02 STAY**  
If you feel sick or see symptoms of sickness, stay home or send home.

**03 CLEAN**  
Schools should continue routine cleaning of classrooms and high-traffic areas.

**04 WASH**  
Students should continue to practice routine handwashing throughout the day.

## COVID-19 DECISION TREE Protocol for Students

Utilizing Guidance by FDOE

1

Exposed\* to COVID-19 positive case

Asymptomatic

Quarantine & Return After

Symptomatic

See Section 2

Student receives a negative test 5 days after exposure - return day 6. Mask through day 10.

OR

Student is asymptomatic and **10 days** have passed since the date of exposure.

2

Symptomatic or COVID-19 positive

Isolate & Return After

5 days have passed since symptom onset or positive test result, the student has had no fever for 24 hours and the student's other symptoms are improving. Mask through day 10.

If symptomatic, but with non-COVID diagnosis, student may return to school with written permission from MD/DO.

3

Exposed\* to positive case but student is fully vaccinated OR has had COVID-19 in the previous 90 days

Asymptomatic

No quarantine required. Recommended to test on day 5. Mask 10 days.

Symptomatic

See section 2

Student receives a negative test on or after day 5 and is asymptomatic. May return day 6.

\*Per CDC, exposure is close contact of 6 feet or less for 15 minutes or more. Contact at greater than 6 feet or for less than 15 minutes generally not sufficient to transmit the virus. \*When masks are required, we strongly recommend a KN95 mask, provided by TCS.
