SCHOOL POLICY AND PRINCIPAL'S RIGHT TO AMEND

Any student action that is not in keeping with the philosophy/objective of Trinity Catholic School is subject to the review of the administration and may lead to withdrawal from school.

Since situations can arise that were not foreseen at the time of writing this Handbook, the school reserves the right to initiate, change, or modify the policies as needed. Parents and students will be notified of any amendments.

The Principal is the final recourse and reserves the right to amend this handbook and rules. Parents will be given prompt notification.

MINISTRY OF OUR CATHOLIC SCHOOL

Trinity Catholic School, a ministry of Blessed Sacrament Church, provides a Catholic education for students from all Tallahassee and area Parishes as well as Non-Catholic students. Trinity Catholic is part of the school system of the Diocese of Pensacola-Tallahassee and is under the direct supervision of the Bishop and the Superintendent of Schools.

"The Church's involvement in the field of education is demonstrated especially by the Catholic school. No less than other schools does the Catholic school pursue cultural goals and the natural development of youth. But it has several distinctive purposes. It aims to create for the school community an atmosphere enlivened by the gospel spirit of freedom and charity. It aims to help the adolescent in such a way that the development of his/her own personality will be matched by the growth of the new creation which he/she became by baptism. It strives to relate all human culture eventually to the news of salvation so that the light of faith will illumine the knowledge which students gradually gain of the world, of life, and of mankind."

Taken from Section 8 Declaration
Christian Education of the Documents of Vatican II

MISSION STATEMENT

The mission of Trinity Catholic School is to teach the Catholic faith within a challenging academic curriculum, laying the foundation for all students to grow in Christian maturity, integrity, and knowledge.

"Where students grow Spiritually, Academically, & Physically for a lifetime of service and leadership."

STATEMENTS OF BELIEFS

At Trinity Catholic School we believe –

- Each student is a unique child of God.
- A Catholic school reflects the integration of a Catholic faith and values with learning and life.
- Catholic education is an integral part of the Church's mission to proclaim the gospel message of Jesus, to build faith communities, to celebrate through worship and to serve others without distinction.
- Parents are the primary educators of their children.
- Students experience faith-based traditions as part of their educational formation in Catholic schools.
- Ongoing evaluation and improvement of the curriculum is crucial to the developments of a sound educational program.
- A safe and comfortable learning environment promotes learning and success.
- The opportunity for success is an important component of student learning.
- A healthy learning environment is everyone's responsibility.
- A supportive and challenging learning environment increases a student's potential for responsible decision making.

PHILOSOPHY

Trinity Catholic School is committed to a program of Catholic spirituality and worship, academic excellence, and social justice. Faculty and staff are dedicated to a core knowledge curriculum using traditional teaching methods and innovative teaching techniques.

In keeping with the teachings of the Catholic Church, we welcome our partnership with the family in a teaching ministry. As a Christian community, we strive to nurture the talents and interests of each child at every developmental level. We promote understanding of each person's unique personal worth. United in spirit and ideals, our heartfelt desire is to encourage Trinity students to grow in knowledge and skills, Christian faith, service, and love.

ADMISSIONS

NON-DISCRIMINATORY NOTICE

It is the policy of the Diocese of Pensacola-Tallahassee to admit students of any race, disability, color, sex, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Trinity Catholic School does not discriminate on the basis of race, disability, color, sex, national and ethnic origin in administration of educational policies, and athletic and other school administered programs.

ADMISSION POLICY

Given the mission of the school as an agent of Catholic Christian formation, the school will accept only those children whose parents demonstrate an understanding of the specifically Christian/Catholic nature of the school and a desire to participate in that mission.

Some students may not be accepted because the school's educational program and facilities are not able to meet the needs of the child. All new students will be placed conditionally for the first marking period in which they attend. At the end of that first marking period, a final decision will be made as to the student's placement.

All students begin each school year during a one-quarter probationary period in which the student's academic progress and conduct is observed to determine if he or she is compatible with the school. At the end of this period, if the student's conduct shows that the school's program is not effective, the student can be asked to withdraw.

In matters of admission and registration, the decisions of the local Pastor/Principal are final.

Reregistration of families currently attending Trinity Catholic School (TCS) will be held in early February. A non-refundable, reregistration fee per student is due along with the reregistration form.

New student registration will begin in February after reregistration for the school year that begins the following August. According to Florida law and Diocesan Policy, Kindergarten students must be five on or before September 1, and first grade students must be six on or before September 1.

In addition, students in the TCS Pre-Kindergarten 3 & 4-year-old programs must be three and four respectively on or before September 1. All children must be potty trained. If needed, a blind lottery will be conducted to establish an initial waiting list. All applications received before the date of the blind lottery will have an equal chance in the drawing of names for the waiting list in their respective category. Applications submitted to TCS after the blind lottery will be added to a wait list in the order they are received. Please note the importance of early application.

Registrations Categorized as Follows:

Category A

- ✓ Siblings of families currently enrolled
- ✓ Sons and daughters of faculty and staff members have priority after siblings
- ✓ Students who were withdrawn due to a parent's sabbatical have priority after the above students

Category B

- ✓ Participating Catholics of Blessed Sacrament Parish

Category C

- ✓ Participating Catholics of other Catholic Parishes

Category D

- ✓ Non-participating Catholics

Category E

- ✓ Other religious affiliations

All presently enrolled students in Pre-Kindergarten through seventh grade in good academic, behavioral, and financial standing will be guaranteed a place for the next school year.

Siblings of students enrolled at TCS have priority for admission. Siblings are guaranteed a place so long as a class size of 32 is not exceeded. Pre-Kindergarten classes cannot exceed class limits at any time even for sibling priority. All siblings not placed due to class size will be on a Category A waiting list. If there are not enough openings for the siblings that apply, spaces will be filled in the order of lottery number. All students on the waiting list as of January 30 who applied prior to June 1 of the previous year can remain on the waiting list in their current standing by reapplying when notified by the school. No new registration fee will be required.

Parents will be notified as to a student's acceptance or placement on a waiting list as soon as possible. As spaces become available, students on the waiting list will be notified.

Returning students who have withdrawn and wish to return will be accepted in the following order of priority: (1) Any student who has withdrawn from school for financial or transportation difficulties shall be considered for re-admission on a space-available basis at the discretion of the Principal in consultation with the Pastor. (2) Any student who has withdrawn from school for academic or disciplinary reasons shall be considered for re-admission on a space-available basis at the discretion of the Principal in consultation with the Pastor.

AFTER-SCHOOL CARE

“Beyond the Bell” is a program designed as an after-school enrichment opportunity for Trinity Catholic School students in grades PK-8. The program will run from dismissal time until 6:00 p.m. on most school days. Parents may pick up their student(s) at any time during those hours. Families may register their student(s) on a monthly basis or on a drop-in basis. When registering on a drop-in basis, a 24-hour notice of the student’s attendance would be appreciated so that the proper amount of food will be provided at snack time. Complete information about the Beyond-the-Bell Program is available from the school office.

ANNOUNCEMENTS/MESSAGES

Announcements will be made at 8:00 a.m. and at 2:55 p.m. via the public-address system. It is the student's responsibility to come to the office after school when called during the afternoon announcements to get his/her messages. Urgent or emergency messages will result in the student being called to the office at the time the message is received.

ARRIVAL/DISMISSAL PROCEDURES (see Appendix A)

Arrival begins at 7:30 a.m. for all students. Follow the Arrival and Dismissal Procedures (see Appendix A)

Homeroom teachers will be in their classroom at 7:30 a.m. to receive students. Parents are not permitted to enter classrooms unless prior arrangements have been made the teacher.

Students who arrive after 8:00 a.m. will be marked tardy. You will need to take your child to the main office for a tardy slip before he/she can enter the classroom.

Dismissal time:

PreK 3 – Kindergarten 2:45-3:00

1st-8th Grade 3:00-3:15

Students will be placed in the Beyond the Bell (BTB) program at 3:30 p.m. if they have not been picked up by that time. Parents will be responsible for BTB drop-in fees via FACTS or invoice.

Texting and cell phone usage is not allowed once the carline is moving. Seatbelts should be used also for the safety of drivers and passengers.

Do not allow your student(s) to cross any street, or walk between parked cars or cars in line.

See “Arrival and Dismissal Procedures” on the Trinity Website for a more detailed explanation.

ATTENDANCE POLICY/ABSENCES

Florida law requires 180 school days per year. If a child is absent from school, parents are required to call and notify the school office. Absences not reported by 9:00 a.m. will result in the school calling the parent to verify their child's absence. A student returning after an absence **MUST** have a dated note/email, signed by a parent or guardian, explaining the reason for the absence. It is the student's responsibility to bring the note to the office for re-admittance to class. Students without a note must also report to the office for re-admittance to class. However, their absence will be considered unexcused until a note is sent. Students who are absent to "shadow" at another school must bring documentation from the school visited to qualify for an excused absence.

Students arriving at school after 8:00 a.m. are considered tardy. Parents/drivers arriving late must park and bring their child to the school office for a pass to be admitted to class. Habitual tardiness impedes a student's learning due to a loss of educational time. Frequent tardies (4 or more times in a quarter) may result in lower grades.

According to Diocesan guidelines, a student who is absent more than twenty (20) days in one school year **MAY** be retained. **More than 15 absences will require a conference with administration.**

Dental and medical appointments should be scheduled **after school** if possible. If a student must leave the campus during school hours, a note from a parent must be given to the homeroom teacher at the beginning of the day and to the teacher whose class the student will be leaving (if different) at the beginning of that class. **THE PARENT MUST COME TO THE OFFICE TO SIGN THE STUDENT OUT BEFORE THE STUDENT LEAVES CAMPUS.** The student will be called to the office **UPON THE PARENT'S ARRIVAL IN THE OFFICE.** If the student returns to campus after the appointment, the **parent and student** must enter the Main Office where the parent will complete the "sign-in" portion of the sheet; and the student must obtain a pass for admission to class. **A STUDENT MUST BE PRESENT FOR AT LEAST FOUR HOURS OF THE SCHOOL DAY IN ORDER TO BE COUNTED AS "PRESENT" FOR THAT SCHOOL DAY.** Please check the School Calendar for Standardized Testing dates (March) to avoid possible conflict with appointments or trips.

Family trips should be arranged to coincide with established holidays. Teachers are not required to prepare assignments prior to a trip that occurs outside these dates. Students should request assignments upon their return to school. Work must be turned in on or before the deadline date set by the teacher to receive credit.

BEFORE SCHOOL SUPERVISION

Early Bird Supervision (EBS) provides before-school supervision for students that need to arrive on campus prior to 7:30 a.m.

EBS starts at 7:00 a.m. - No students may be left on campus before that time. Please make sure your child eats breakfast before arriving on campus. They are not permitted to eat during EBS.

Drop-off Procedure:

Drop-off will be on the Miccosukee Road side of the school, on the blacktop, near the PE office. Once you arrive at the drop-off location, Trinity staff will use your family number (posted on the sign hanging from your rear-view mirror) to pull up your children on the Concierge App. Once you pull up, your child/ren will be directed to get out of the car to get their temperature check and health screening. On clear weather days, your child/ren will proceed to the Pavillion. On inclement weather days, they will proceed to the middle school building.

Supervision:

Students will be socially distanced. When six feet apart is not possible, they will need to wear a mask. During time students are encouraged to read, study, bring cards to play solitaire, or a Rubik cube, a coloring book, etc. Students may talk, but not be permitted to share things..

Rates:

One Child - \$5/day

Two, or more, children per immediate family - \$10/day

Fees will be charged monthly, through your FACTS account.

BIRTHDAYS

Trinity Catholic School has adopted a “no-food” policy in regards to celebrations of birthdays. Teachers will celebrate your child’s birthday in a multitude of ways which may include: holding the flag in the morning, a pencil from the Principal, and other fun ideas in the classroom that do not center around food as a reward/recognition. If treats, on birthdays or any other day of the year, are brought for the class, or other group, without approval from administration, the treat will be sent home with the child at the end of the day.

As a courtesy to students, all invitations to parties not related to school must be given to **ALL** students (or ALL the boys or ALL the girls) in the class after checking with the homeroom teacher; otherwise, invitations should be handled away from school. No gifts shall be given out unless it is given to all students in the class, after checking with the homeroom teacher; otherwise gifts should be handled away from school. **Sending balloons, flowers, etc., to school is discouraged**, as these items must **remain in the Main Office until the end of the school day. Office personnel cannot guarantee care and delivery of such items.**

BOOK BAGS

All students are required to have a book bag to protect books and school supplies being transported to and from school. Book bags on wheels are not allowed in grades K-2. Book bags are not permitted to move class to class in middle school but remain in homeroom teacher’s classroom.

The school will raise the awareness of the nature of cyberbullying in an attempt to eradicate such behavior within the curriculum.

Administration shall have the responsibility of tracking individual cases of cyberbullying that have been documented and presented to the school. Administration shall be responsible for keeping staff updated on student cyberbullying incidents. They will also implement programs to educate parents, faculty, and students on all pertinent issues regarding cyberbullies and cyberbullying

FALSE REPORTING:

Making intentional false reports of cyberbullying will not be tolerated and is considered a punishable offense.

CASH PAYMENTS

No student should bring cash to school unless it is for an approved collection or fundraiser. It is highly recommended that all payments be made by check. The school cannot be responsible for money that is lost or stolen. All payments must be in an envelope labeled with the student's name, homeroom, and reason for payment.

CATHOLIC IDENTITY

Religion and the value system inherent in our faith is a definitive part of the curriculum. Religious instruction is authentic in doctrine and contemporary in presentation. Religious education strives to be more than an accumulation of facts, although a certain body of knowledge is necessary. The report card grade reflects knowledge of the Catholic faith, classroom attitudes, and willingness to participate. It is not a judgment of the student's faith in God. All students, including Non-Catholics, are required to participate in a religion class (and receive a grade) and attend religious activities mandated by the school. All students, including Non-Catholics, are required to attend Mass during the school week. Students will also have opportunities to receive the Sacrament of Reconciliation (Catholic students only), to pray the Rosary, Stations of the Cross, and attend Eucharistic Adoration and retreats. It is the Catholic parent's responsibility to ensure their children attend Sunday Mass and the Sacrament of Reconciliation in their own Parish. Students eligible to receive the Sacraments of Confirmation, Reconciliation or Eucharist for the first time must make arrangements through their own Parish.

CLASSROOM VISITS/OBSERVATIONS

Parents who need to speak with their student must check in at the office so that their student can be called to the office. Visits to the classroom by parent(s) must be arranged by the parent contacting the teacher to arrange for such a visit

CLINIC

A clinic staffed by a Registered Nurse is provided for students who have chronic medical conditions, and those who become sick or are injured during school hours.

Parents will be notified immediately in case of any head injury or an illness or injury that appears serious. **Parents must ensure that the school has current and correct information for emergency contact.** The school is not permitted to send a student to a doctor for emergency treatment without express permission from a parent or guardian unless the emergency is deemed life threatening.

Students who come to the clinic complaining of minor ailments may be allowed to lie down. **If a student vomits OR if the thermometer registers over 100 degrees, the parent(s) WILL be called to take their student home.** Students will not be allowed to remain in the clinic for more than 30 minutes. If after 30 minutes the student still does not feel well, the parent will be contacted. It is the parent's responsibility to arrange for the prompt pick up of their student who is ill or injured. Parents should not ask the clinic personnel to care for these students until dismissal time. This is not fair to the student who needs care or to the clinic personnel and other students who may be exposed to a contagious illness.

The school may require a doctor's signature for a student to return to school if there is any doubt by either party that the student could have been exposed to a contagious disease (this could be a sibling or anyone who had contact with an infected host.) Please be sure to obtain an "o.k." to re-admit a student while at the doctor's office as privacy laws prohibit transfer of such information by fax. In case of fever, the student must be fever free for 72 hours, **without medication**, before returning to school. It is not the school's intention to offend or inconvenience a parent, but our goal is to insure the physical welfare of all of our students.

SEVERE FOOD ALLERGIES

Allergic food reactions span a wide range of severity of symptoms. The most severe and potentially life-threatening reaction is anaphylaxis. When a physician assesses that a child's food allergy may result in anaphylaxis, the child's condition meets the definition of "disability". It is then covered under the Federal Americans with Disability Act (ADA), Section 504 of the Rehabilitation Act of 1973, if the allergy management affects the student's ability to make educational progress. The intent of Section 504 of the Rehabilitation Act of 1973 is to provide students with disabilities equal access to educational programs, services, and activities.

Parents of students with diagnosed, severe food allergies who are on restricted diets must provide food for their children while at school. This includes snack, lunch, Beyond-the-Bell snack and a supply of treats to be used for special occasions such as holiday celebrations. The school will not provide any food to children with diagnosed severe food allergies which require a specific diet, including but not limited to: peanut, tree nut, dairy, wheat, gluten, **soy and fish** allergies.

To adequately care for every student's health care needs, both in general and as specifically identified by the student's physician, Trinity Catholic School requires authority to discuss health care matters with the student's physician. Any information received as a result of this exchange is kept in the highest level of confidentiality within the clinic and is only shared with non-clinic staff as is medically required to ensure a safe school environment for the student.

LICE POLICY

Trinity Catholic School has a "no nit" policy. Any student found with head lice or nits will be sent home and may return to school only after being rechecked by the school nurse and found to be free of lice and nits.

The other students in the infested student's classroom and the student's sibling(s) should be examined in a private setting for evidence of either the lice or lice eggs (nits) only if symptoms of a head lice infection are identified or if one-third (1/3) of the students in the classroom have been previously identified with active cases. The examinations should be done by each student's parents; the school nurse, if available; and/or the school principal or designee.

In the event that one-third (1/3) of the students in a classroom are identified with active cases of head lice, then the Principal/Nurse shall send home notification to the parents in the affected class.

MEDICATION PROCEDURES

The school administers medications to a student only as authorized by the parent/guardian in the "Authorization of Medication Form" and subject to school agreement after review of the authorization. If the medication is a prescription medication, the school also requires the prescribing physician's signature on the "Authorization of Medication Form." Administration of prescription medication shall be as specified on the label. Administration of all other medications shall be consistent with the dosage recommendations for the medication. Such medications must be brought by the parent/guardian to the school clinic in the original container. The school clinic will not accept medications from a student. Student administration of medications is only permitted in the case of asthma rescue inhalers as documented in the "Authorization of Medication Form."

Medications of any kind including ointments, lip balm, pills, vitamins or liquids may NOT be carried by the student to school, with the exception of rescue inhalers **and epipens** for students with asthma. If a student is found to have any of these items, they will be taken away from the student and put in the front office to be picked up by a parent. Students may bring their own cough drops and have the teacher or nurse administer as needed.

COMMUNICATION

GENERAL COMMUNICATION

As technology increases, we have more avenues than ever to stay connected. We all have responsibilities in maintaining open and current communication. Our responsibilities are as follows:

Administration will keep the school website updated and current; provide bi-weekly newsletters; use the Bright Arrow messaging system to email, and/or phone, reminders and notifications; give reports at Home and School meetings; and respond to parent e-mails, or phone calls, within 24 hours.

Faculty and staff will keep classroom web pages updated and current; e-mail or call parents when issues arise; in grades 4-8, send progress reports home mid-quarter; in

lower grades, send home weekly folders and/or daily progress reports; post grades in a timely fashion; and respond to parent e-mails, or phone, calls within 24 hours.

Students will ensure that all papers intended for parents/guardians are given to parents/guardians that day; use the classroom web pages as a resource for information; when appropriate, check PowerSchool to self-monitor progress; use daily planner; and, return papers, progress reports, report cards, folders, referrals, etc. to teachers when due.

Parents/Guardians will check with students for papers that have been sent home; monitor the Trinity Catholic School website, newsletters, Bright Arrow Notifications and teacher web pages, often; e-mail or call teachers when issues or questions arise; check PowerSchool, often, to monitor child's progress (Each student will have a secure password that will allow parents access to their child's grades and impending tests and projects.); check student's daily planner; sign and return papers, progress reports, report cards, folders, referrals, etc. to teachers when due.

A note on PowerSchool: As many of you know, both students and parents alike have access to PowerSchool. We recognize the importance of **entering** grades in a timely, consistent manner. We strongly suggest speaking with your children about their grades prior to contacting a teacher. This opens the lines of communication up between parent and child and paves the way for a better discussion with the teachers.

PARENT-TEACHER CONFERENCES

Complaints/concerns should be handled at the appropriate level. Persons with concerns about a teacher should first attempt to address the concern with the teacher. Only then should school administration be contacted.

Communication between parents and teachers is extremely important. Conferences may be arranged on an individual basis by appointment so that the teacher may give his or her full attention to addressing any problems the student may be experiencing. Both parents and teachers may request conferences.

Appointments may be made directly with the teacher by a written request, e-mail, or a phone call to the office. In middle school, unless you wish to speak with only one teacher, it is better to let the homeroom teacher coordinate this for you. Morning (7:10 a.m.) or after school (3:30 p.m.) on Wednesday or Thursday are usually the best times to schedule conferences. Sometimes a telephone call is sufficient to solve the problem.

PARENT-PRINCIPAL CONFERENCES

Parents and students should feel free to confer with the Principal about school matters. An appointment with the Principal is arranged by calling the school's Main Office. If there is a classroom issue, the parent must confer with the teacher first before discussions with the Principal.

Parent-to-Parent Communications

Communication between parents involving school business must be approved in advance. This includes both printed and electronic communication. Parents involved in fundraising should have all correspondence approved in advance by administration. Any correspondence from room parents must also be approved in advance by the teacher (or administration if asking for funds/donations.)

CONFIDENTIALITY

Teachers and other school personnel will keep confidential information entrusted to them so long as no one's life, health or safety is at state. Parents will be promptly notified of teacher concerns.

COUNSELOR

A certified Counselor is on staff to work with classes, groups, teachers, and parents for the developmental and guidance needs of students. Please call the main office to contact the Counselor. Students may request to see the Counselor by filling out a written request form provided by the front office or any classroom teacher.

CURRICULUM

The standard curriculum set by the Diocese includes the major subjects of Religion, Language Arts, (oral and written communication), Mathematics, Science, and Social Studies, and minor subjects of Handwriting (lower grades), Music, Library Skills, Art, Spanish, Latin, Computers, Design, HOPE and Physical Education. Students at Trinity Catholic School not only cover the core curriculum but are challenged by stimulating enrichment activities that allow them to exceed the standard curriculum.

Students in Grades 5-8 may take advanced Math classes based on certain criteria. Students in Middle School may take Honors Language Arts based on certain criteria.

Eighth Graders have the opportunity to achieve high school credit for Algebra I, Spanish I, Latin I and HOPE. Admission into these courses is based on the student meeting specific standards.

CUSTODY

"This school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, a school will provide the non-custodial parent with access to academic records and other school information regarding his or her child. If there is a court order specifying that there is to be no information given, it is the custodial parent's responsibility to provide the school with a court-certified copy of the court order."

DISCIPLINE – (Refer to Appendixes Regarding Discipline)

Keeping in mind our mission statement, a student at Trinity Catholic School should be characterized by a commitment to the following:

- love of God and neighbor
- respect for self and other
- self-control
- honesty with self and others
- accepting personal responsibility

As discipline is the regulation of one's conduct in accord with Christian principles, it is a primary concern that teachers and students work together to maintain a suitable climate for learning.

OFFENSES

The following is an example of conduct that is not suitable for a climate of learning.

- Failure to bring books or materials to class
- Being out of uniform in any respect (refer to uniform guidelines)
- **Writing/markings on self or any part of the uniform**
- Eating outside of designated time and place
- Chewing gum on school property
- Reckless running or playing in hallways and breezeways/or school grounds
- Foul or abusive language or gestures, or indecent behavior
- Dishonesty or stealing, including: plagiarism, cheating, forgery
- Disrespect in church, chapel or any other religious service
- Failure to observe silence during fire drills
- Teasing, name-calling, harassment, threats
- Disrespect/rudeness to person/s in authority, including: faculty, staff, volunteers, etc.
- Destruction of school property or vandalism (reimbursement is required)
- Any actions dealing with, or possession of, drugs, alcohol, or weapons, vaping or tobacco products or incendiary devices
- Fighting
- Any physical aggression (hitting, kicking, biting, scratching, etc.)
- Public displays of affection
- Not keeping hands to self
- Bullying

- Truancy or leaving school grounds without permission
- Unauthorized electronic devices or any items that distract (including Fidget toys) on school or church grounds or at school-sponsored activities
- Any classroom behavior which interferes with an effective learning atmosphere
- Any other infractions deemed serious by the Principal

CONSEQUENCES

When a student violates the Discipline Policies, any staff member may issue a consequence. Consequences are intended not as mere punishment, but as a means to correct misbehavior and improve a student's overall conduct. The purpose of discipline is to teach correct behavior.

For conduct that is not suitable for a climate of learning, appropriate consequences will be imposed by a teacher, or other authorized school employee. The following consequences may be in addition to warnings and classroom discipline structures.

EARLY CHILDHOOD

Pre-K3, Pre-K4 and Kindergarten are their own entities and use individual behavioral plans appropriate to their classroom setting.

1st and 2nd Grade

If a child is sent out of the classroom, given a lunch (recess) detention or other consequence, a written behavior notification will be given to the child and must be signed by a parent or guardian. All notices will be kept on file by the teacher until the end of the school year.

Lunch (recess) detentions will take place in the classroom, with a teacher present, following diocesan guidelines.

The following actions will take place if needed:

- A parent/teacher conference
- A student/administration conference
- A student/teacher/parent/administration conference

ELEMENTARY and MIDDLE SCHOOL

For conduct that is not suitable for a climate of learning, appropriate consequences will be imposed by a teacher, or other authorized school employee. The following consequences may be in addition to warnings and classroom discipline structures.

Consequences may include lunch detentions, behavior contracts, conferences, a demerit, or the assignment of another appropriate punishment. A written behavior notification will be given to the child and must be signed by a parent or guardian. All notifications will be kept on file by the teacher until the end of the school year. Multiple notifications will result in an Administrative referral.

Lunch detentions include silently writing while eating lunch. Failure to report on time to serve a lunchtime detention will result in another detention.

Probation is a trial period set for a limited time during which a student must demonstrate good behavior and a willingness to cooperate with the school's code of conduct. Daily or weekly reports will be sent home during the probation period. Scheduled conferences must also be held during the probation period.

Depending on the gravity of the offense, the Principal may determine that suspension or expulsion is necessary.

Suspension is a serious disciplinary measure. Suspensions are of two kinds: "in school" and "out of school." Parents or guardians are notified by telephone of the suspension and will be requested to come to the school for the student unless the suspension is "in school." All concerned parties may meet to discuss the problem and seek a solution. Each school in the Diocese sets the policy as to the time of suspension, which in ordinary circumstances should not exceed five days. A student on suspension may receive zeros for all assignments and tests administered during the duration of that suspension. A written record of the reason for the suspension together with the date and the time of the parent conference will be filed by the administration. *Note: Bullying is addressed under a separate classification, see Bullying Policy, page 7.

Expulsion is a disciplinary measure which is used only when incorrigible behavior or conduct threatens the physical or moral welfare of other students or seriously affects the learning process. A parent conference is imperative when such a problem is discovered. The Principal with the approval of the Pastor may expel a student for a grave reason. All other avenues of assistance should be exhausted before an expulsion is necessary. The Superintendent of Schools is made aware of such problems prior to the parent conference.

Please note that each teacher will control his/her own discipline, using individual classroom rules, procedures and consequences. The Middle School has its own policies, standards and procedures found on the syllabus on the School website.

ADMINISTRATIVE DISCIPLINE

Possible administrative disciplinary actions may include but not limited to work detail, suspension, confiscation, immediate parent notification, or exclusion from extracurricular activities such as sports, dances, field trips, or end-of-the-year functions.

If necessary, the school will contact the proper authorities to deal with any possible criminal behavior involved.

CONDUCT OUTSIDE OF SCHOOL

Students are Trinity Catholic School students at all times. Schools in the Diocese of Pensacola-Tallahassee reserve the right to discipline students for engaging in conduct that occurs off-campus if it endangers the health and/or safety of others, adversely affects the education process, or the reputation of the school.

Examples of such conduct include, but are not limited to, illegal activity, alcohol consumption, **possession, use or sale of drugs, tobacco or e-cigarettes**, inappropriate Internet activity, harassment or cyber bullying, pornography, fighting, illegal use of firearms, theft, arson and sexually inappropriate behavior.

Students may be subject to different disciplinary penalties for off-campus conduct depending on the severity of the issue. Such penalties may include, but are not limited to, suspension, expulsion, detention, and/or restitution. The student may also be removed from extracurricular activities and sporting events, as well as field trips, dances and graduation ceremonies.

EVALUATIONS

REPORT CARDS

Pre-Kindergarten students receive two evaluations through conferences per year. Kindergarten students receive two conferences and two report cards per year. First grade students are also scheduled for two conferences during the year.

Students in grades 1 through 8 receive report cards at the end of each nine-week quarter. Progress Reports are sent home approximately midway through each quarter to parents of students in grades 4-8. These Progress Reports are designed to inform the student and parents of problem areas that might profit from extra attention before the end of the quarter. Report card grades become part of the student's permanent record - Progress Reports do not.

Some teachers may require that certain papers be signed by a parent to ensure that the parent is kept aware of the student's progress. Parents are encouraged to keep informed of their student's progress by monitoring papers, notebooks, and planners (assignment books) on a regular basis.

STANDARDIZED TESTING

The Terra Nova standardized achievement test is administered in the Spring to all students in grades 2 through 8, as well as the **InView** cognitive abilities test. Results of these tests become part of a student's cumulative record, and a copy is sent home to parents. Parents may request a conference with the teacher if further clarification or explanation is needed.

The Assessment of Catechesis/Religious Education (ACRE Assessment) from NCEA is given yearly to 5th and 8th Grade students to measure Knowledge of the Catholic Faith and Christian values.

FIELD TRIPS/AFTER SCHOOL SPORTS TRIPS

Field trips provide students with valuable opportunities for educational enrichment and will be scheduled as deemed appropriate by the teacher. As field trips are privileges afforded to students, participation can be denied to students who fail to meet academic and/or behavioral requirements or expectations. **Parents could be required to attend a field trip with their child.**

- Drivers who have submitted the “**Driver Information Sheet**” which verifies that their car insurance covers all passengers in their car (according to Diocesan regulations **\$100,000/300,000 minimum bodily injury liability coverage**) and so that motor vehicle record may be checked annually, have completed the Shield the Vulnerable online courses – “Recognize, Report & Prevent Child Abuse,” “Detecting Predators: GUARD the Children” and have been fingerprinted within the last five years are welcome to respond when asked to provide transportation for field trips. All fees for these requirements are the responsibility of the parent. Fifteen passenger vans may not be used. Drivers must be 25 years of age or older. No unplanned stops may be made.

*Please note that all of the above documentation must be cleared by the Diocese and returned to Trinity **PRIOR** to driving students on field trips. This process can take up to a minimum of two months. Parents who intend to drive should complete the necessary driver information requirements at the **beginning** of each school year.

Students will be given field trip permission slips from the school for school-sponsored outings. These must be signed by a parent or guardian and returned to the homeroom teacher before leaving on the trip. Phone calls or written communication other than the specific form given to students for field trip permission are not acceptable.

Siblings MAY NOT attend Field Trips. School-sponsored trips are grade specific and NOT OPEN to other grades or age groups. Siblings MAY NOT accompany adult chaperones on field trips. Volunteers must be able to give their undivided attention to their volunteer tasks and the children.

FUNDRAISING

All fundraising done in the name of Trinity Catholic School by parents, students or staff, must be approved in advance by the Principal.

GRADING CODES

Pre-Kindergarten and Kindergarten grading codes are unique to those grade levels. An explanation and grading key are included with those evaluations. In Grade 1, the following grading codes are listed on student report cards:

E	Excellent
G+	Very Good
G	Good
S+	More than Satisfactory
S	Satisfactory
N	Needs Improvement
P	Poor

In Grades 2 through 8, the numerical scores representing the letters of A, B, C, D and F will denote grades. The correspondence of percentages and letter grades is as follows:

<u>Letter</u>	<u>Percentage</u>	<u>Grade Point</u> (for Middle School)
A	90-100	4.0
B	80-89	3.0
C	70-79	2.0
D	60-69	1.0
F	Below 60	0.0

Courses taken in the Middle School will be given two (2) separate semester grades that will be averaged into a final grade. The Semester Grade for each subject will be based on two (2) quarter averages and the semester exam. The weighting of each semester grade will be that each quarter will account for 40% of the grade and the semester final will account for 20% of the Grade.

The averages will be calculated numerically and will reflect the actual percentage of the grade.

All tuition payments must be completed for a student to take exams.

CONDUCT

1. Above Average
2. Satisfactory
3. Needs Improvement
4. Unsatisfactory

HONORS

Special recognition, All Stars, is given to students in Grades 3-5 who achieve all A's and B's in subject areas and no 4's or no more than two 3's in conduct for the quarter.

Requirements for Middle School Honors per grading period are as follows:

- All A's (Principal's Honors)
- A maximum of 2 B's and the rest A's (First Honors)
- A maximum of 5 B's and the rest A's (Second Honors)
- More than 5 B's combined with the rest A's (Commendable Achievement)
- Good Citizenship is a hallmark of an Honor student and is expected. Students should not receive any 4's or no more than two 3's in conduct for the quarter. Honors can be withheld if students do not demonstrate good citizenship.

Middle school students who achieve Principal's Honors all four quarters are awarded a plaque and a gold medal. Those who achieve First Honors all four quarters are awarded a gold medal at the end of the school year. Those who achieve a combination of First and Second Honors receive a silver medal, and those who achieve Second Honors through the school year receive a bronze medal. A student can earn a Commendable Achievement medal for receiving all A's and B's for four quarters.

GRADUATION

Activities preceding graduation day are planned by the teachers and room mothers, approved by the Principal, and earned as a privilege by the students. There is a fee for eighth grade graduates to cover the cost of graduation activities; this fee will be billed through FACTS in December. The fee meets **13 hours** of the required 25 service hours reported to the Home and School Association. Parent(s) will be notified in a timely manner of the date of graduation and the activities preceding the Eighth Grade Graduation ceremony. Parents and students are encouraged to visit eighth Grade homeroom teacher websites for information. There will be an Eighth-Grade checklist posted on the teacher web pages to monitor the schedule of events throughout the year.

All financial obligations to the school must be met before the 8th Grade graduation, or Kindergarten ceremony. The school reserves the right to deny participation in activities for financial or behavior issues.

HANDBOOK AGREEMENT

The last official act of enrollment and acceptance of each student of Trinity Catholic School is the signing of a contract that states this Handbook has been read and accepted as the governing vehicle between home and school. This contract must be returned during the second week of classes. The “**Handbook Governance Agreement Form**” will be provided to you via email as a Google Document. If you need additional forms, please go to the school Website (www.trinityknights.org). This form must be signed by both the parent(s) and each student in Grades 3-8.

HIGH SCHOOL LEVEL CLASSES

Trinity Catholic Middle School offers graduating 8th Graders the opportunity to earn High School Credit for Algebra I, Latin I or Spanish I, and HOPE. Students must be approved to take Algebra I, based on Diocesan criteria.

High School Credit will be issued based on grades, work ethic, and mastery of the subject. Students must earn a grade of B or higher to receive High School Credit.

The grade students receive for High School Credit classes will be included in their High School G.P.A. If High School Credit is not issued, it will not appear on High School transcripts nor as a credit on transcripts. Exceptions can only be made by the High School that students are enrolled in for 9th Grade.

HOME AND SCHOOL ASSOCIATION

This association is composed of parents, faculty/staff and friends of the school. Home and School activities include providing lunch on designated days of the week, sponsoring various fund-raising activities, and assisting the School Advisory Council, Principal, and faculty/staff as needs arise. The officers of the association draw up a calendar of informative meetings and events annually. Parents are strongly urged to attend quarterly meetings to keep informed and dialogue with administration, teachers, staff, and one another.

HOMEWORK

Teachers may give homework to reinforce a lesson taught, strengthen study habits, review for a test, or enrich the student's knowledge with research. Each teacher will explain his/her homework policy to the students. Parents should encourage some home study each day but should leave the responsibility of producing the work to the student. The general guideline is ten minutes of homework for each grade level. For example, 10 minutes for grade 1, 20 minutes for grade 2 and so on. Middle school students should spend between 1 and 2 hours daily on homework and projects, including reading for Accelerated Reader and studying. Extra time may be required for exam preparation or completing unfinished class work. If a parent believes the student is spending an inordinate amount of time on homework, the teacher should be consulted. Students are required to use the official school planner to record assignments. Parents should check their child's planner regularly and help the school enforce its use. Middle school students also use google classroom as a resource for homework assignments.

When a child is sick, parents should contact the homeroom and subject area teachers for make-up assignments and to request materials. Materials can be picked up in the front office, once the teacher/s has an appropriate amount of time to gather all necessary items. Teachers will be as helpful as possible in assisting the student with missed work. Make-up work, however, is ultimately the student's responsibility. If an extended illness or recuperation period occurs, it may be necessary for the parents to seek outside assistance from a private source to work with the student.

GUIDELINES FOR LATE WORK FOR GRADES 3-8 ARE AS FOLLOWS:

It is the student's responsibility to turn work in on time. Consequently, **one letter grade** will be deducted for each school day the assignment is late (up to 3 days*). This does not apply to excused absences.

1 Day Late: 15% (Maximum 85% B)

2 Days Late: 25% (Maximum 75% C)

3 Days Late: 35% (Maximum 65% D)

**After 3 days, the assignment will no longer be accepted.*

ABSENCES

It is the student's responsibility to make up all work missed during an absence. Upon their return, they should see the teacher for any work missed. All make up assignments should include a note of "Absent on [Date]" at the top of the paper. This will assist the teacher in assigning on-time credit for make-up work.

INSURANCE

The Diocese of Pensacola-Tallahassee has purchased an accident medical insurance plan which protects each student: 1) at school, 2) when traveling directly to and from school, and 3) at school-sponsored activities including interscholastic sports sponsored and supervised by the school. The supervisory teacher, staff, or coach is responsible for reporting all accidents to the office using the accident report form provided. The claim must be submitted to the insurance carrier within 90 days of the accident for benefits to apply.

This coverage has been purchased on a Full Excess Basis, which means that in the event of an injury to your student, you must first claim benefits under any other coverage you have. If there is a balance due after your carrier has made payment, you may then submit all receipts of payment from your insurance along with the itemized bills to the school for consideration.

Please notify the school office immediately after an accident. A report must be promptly filed with the Diocese. Part I of this form will be completed by an office staff member and signed by administration. Part II is the responsibility of the parent for obtaining the necessary documentation from the physician. Completed claim forms should be returned to the office to be forwarded to the insurance carrier.

INTERNATIONAL BACCALAUREATE (IB) MIDDLE YEARS PROGRAM (MYP)

Trinity Catholic School is a candidate school for the International Baccalaureate (IB) Middle Years Program and pursuing authorization as an IB World School.

The IB Middle Years Program challenges students to embrace and understand the connections between traditional subjects and the real world while providing a framework of learning. It increases overall academic rigor by developing skills for research, critical and creative thinking, communication, self management and reflection. IB emphasizes in students a disciplined approach to both academic and personal development. It's a way of teaching "how to learn" through approaches that help students engage and persist in learning tasks. Approaches include units of inquiry instead of isolated lessons, emphasizing critical thinking rather than simply memorization and recall.

Community service is an integral part of our culture at Trinity Catholic School and is also an important component of the MYP. Students in all grades are expected to participate in a service component during each year of the program. By giving students the opportunity to volunteer or contribute for the benefit of others, students learn their actions and choices can create a positive impact.

Participation in the IB Middle Years Program requires adherence to all school and IB policies, including: *Academic and Behavioral Discipline Policy*, *MYP Academic Honesty Policy*, *MYP Assessment Policy*, *MYP Inclusion Policy*, and *MYP Language Policy*.

IB Middle Years Program policies will be distributed and signed by parents and students at the beginning of each school year. A summary of each policy can be seen in Appendix B.

Over the course of the second year of candidacy, Trinity administration, middle school teachers and IB consultants will implement policies in each of the areas above. As policies are approved by the IBO, they will be communicated and reviewed with parents and students. All parents and students must sign agreements, indicating understanding and agreement of policies set forth.

KNIGHTS' OUT

One day a month, Trinity has an early release day with dismissal at 12:15 PM (Pre-K & Kindergarten at 12:00 PM.) This day is called a "Knights' Out". Beyond-the-Bell is available on these early dismissal days; however, the program at Lafayette Park is not open to accommodate our students at 12:15 PM.

LEGAL ISSUES

PARENTAL RIGHTS

Trinity Catholic School, in accordance with Florida Statute 61.13(3), will make school records and in-person conferences available to both parents unless a court order specifically revokes this right, in which case it is the responsibility of the custodial parent to provide the court order to the school. It is the parents' responsibility to inform the school of the addresses where the student's records should be sent.

COOPERATION WITH LEGAL AUTHORITIES

It is the practice of the school to cooperate with any local, state, or federal investigators or law enforcement officers that contact the school in the course of any criminal investigation. The school may only notify the parents of the investigation with permission of the investigating authorities. The school will ask to have a representative present during an interview with the students, unless this is not permitted by the investigators, which is often the case in these types of investigations.

REPORTING PHYSICAL/SEXUAL ABUSE

Parents and guardians should understand that State Law requires a teacher or administrator who has reasonable suspicion that sexual or physical abuse has occurred to report this to the Division of Children and Family Services. The teacher or administrator who fails to fulfill this responsibility can be charged with sexual or physical abuse because the silence contributes to the crime. **Victims of sexual abuse should contact Diocesan Victims Assistance Coordinator Dr. James Gagnon at 850/877-2465.**

RESTITUTION LIABILITY

According to Florida State Law parent(s) are liable for up to \$2,500 for damage done by a student. Trinity Catholic School students and their parent(s) will be required to pay for loss of or any new damage to textbooks and library books that are assigned to them or checked out by them.

Any destruction or defacing of school property, buildings, equipment, or materials must be paid for by the student responsible for the damage and/or by his/her parents. Parent(s) of and any student(s) responsible for the injury of another student or students will be held liable for medical expenses.

STATEMENT ABOUT SUBPOENAED FACULTY

It is the policy of Trinity Catholic School to have school personnel represented by its attorney when their presence is required to attend legal proceedings. Whenever school personnel are compelled to participate in divorce or custody proceedings, any and all legal fees and/or costs incurred by Trinity Catholic School will be charged to and become the responsibility of the parents.

LITURGY

Students in grades K through 8 participate in Mass weekly. Grades K through 3 will have "Mass Buddies" in Grades 4-7. Information regarding liturgies will be communicated through the newsletter and over the public-address system during announcements. Dress uniforms must be worn on days students attend Mass. ([See UNIFORMS](#)). Parents are encouraged to attend Mass with the students.

A student's religious formation begins at home and follows the example set by his/her parents. Families are expected to participate fully in the liturgy each weekend. Weekday Masses do not satisfy the obligation for weekend attendance.

LOCKERS/LOCKS

Middle school students are assigned lockers for books, lunches, and gym clothes. Lockers are subject to inspection by teachers for neatness at any time. Students are never permitted to switch their assigned locker, to open another student's locker, or to use unassigned lockers. The administration has the right and authority to search lockers in order to insure the safety and security of all its students.

Combination locks are issued at the beginning of the school year and are the only locks which may be used. Lock combinations should never be disclosed to other students. Students must keep lockers locked unless actively accessing contents. Students must immediately turn in locks found off lockers. Lost locks must be replaced with another School-issued lock, for which a \$6 fee will be assessed. The fee is refunded if the lock is found. Locks will be collected at the end of the school year.

LOST AND FOUND

All items (clothing, jewelry, glasses, shoes, etc) that are found on the Trinity campus are brought to the **Main Office**. Items that can be identified are returned to the students. All items that are unidentifiable are kept in the office. Uniform items (sweatshirts, shirts, etc.) that have no name labeled in them are kept in the Main Office for a period of about two weeks; and then if not claimed, are donated to the Uniform Closet. **It is very important that all of your student's personal items are labeled with their name.**

LUNCH PERIOD

Students should bring a nutritious lunch to school in a soft lunch container or bag that should be clearly labeled with the student's name. Glass containers are prohibited. Soda and energy drinks are also prohibited. Please do not send cans or containers that would create sharp edges when opened. Students who lose or forget their lunch can obtain a snack in the office. It is the student's responsibility to inform the teacher, supervising adult, or the office when he/she has no lunch. Lunches should not be shared with other students. Students may not leave campus for lunch.

Snack time is provided in the elementary grades. Please send nutritious finger foods only such as fruit, crackers, pretzels, or granola type snacks. Please, no yogurt, Jello, fruit cups, pudding, cottage cheese or similar messy snacks. If these items are brought, they will be sent home unopened.

LUNCH PARENTS

Teachers in Grades Pre-Kindergarten through Eighth have volunteer parents help supervise the students during their lunch and recess period. Parents are encouraged to sign up on Orientation Day to help with this responsibility.

MEDIA CENTER

The Media Center is open every school day from 7:15 a.m. until 3:30 p.m. It is a supportive force to the school curriculum. The Media Center strives to introduce and promote all versions of technology and literacy skills to make our students equipped for future endeavors. Grades K-7 have a scheduled time each week while 8th grade has flexible use during operating hours. We also implement STREAM activities during recess to promote critical thinking skills for our students. The Media Center will also schedule after school access for clubs and SMART program. Please check the Media Center website for scheduling and further circulation procedures.

MIDDLE SCHOOL EXTRA-CURRICULAR ACTIVITIES

Trinity Catholic School offers a variety of extra-curricular activities to meet the needs of our diverse student population. Extra-curricular activities may include the Brain Bowl Team, Spanish Club, Chorus, Drama Club, Student Council, Talent Show, Christmas Program, Passion Play, Cheerleading, Volleyball, Soccer, Basketball, Track, Baseball, Softball, Golf, Tennis, Flag Football, Morning/Afternoon Announcers, Mini-Vinnies, Red/White/Blue Club, National Jr. Honor Society, Band, Dances and Thespian Honor Society.

Members of all TCS organizations are ambassadors of the school. Membership and participation in extra-curricular activities is a privilege, not a right. Any behavior deemed inappropriate by the administration may result in forfeiture of the right to represent the school in these functions. All students must maintain an overall "C" average with no

"F's" and no more than two 3's and no 4's in conduct to be eligible for extra-curricular clubs and sports.

Students are never excused from detention in order to participate in any facet of extra-curricular activities. Neither will a student be allowed to participate in these functions for one week following the issue of the demerit or for a period of time specified by the administration. Students who receive lunchtime restrictions consistently because of checks will jeopardize their membership in extra-curricular activities. A student acquiring 2 demerits must obtain administrative approval to continue participating in any extra-curricular activity including but not limited to sports. A student forfeits his/her right to team membership for the rest of the year after the third demerit.

The expectations of each organization are based on the nature and function of the group. Approval to participate in multiple extra-curricular activities must be secured by the student from all coaches/advisors. A student must satisfy membership responsibilities to each organization of which he/she is a member. Each coach or sponsor will set his/her own policies regarding excused or unexcused absences. It is the student's responsibility to contact the adult in charge at least one day prior to an expected absence. Following an unanticipated absence, a parental note should be presented to that person.

The school is unable to provide supervision after school hours. Therefore, arrangements must be made **to pick up siblings of students** who participate in after-school activities while these students are involved in games or practice. Under no circumstance may a sibling be left after school unattended while the other child attends their extra-curricular activity.

Students may not participate in extra-curricular activities, if they were not present for at least four hours of the school day unless they were absent for a school related activity such as the Science or History Fair.

MIDDLE SCHOOL POLICIES, STANDARDS, AND PROCEDURES

Please note that this document will be distributed in the planners to the Middle School students the first week of school and can be found on the teacher websites.

Students may participate in only one sport per season. Exceptions may be made if a sport is in danger of being cancelled due to a shortage of players. Students who are members of a Trinity team may participate in other extra-curricular activities *with approval* from all coaches and advisors. A student must satisfy membership responsibilities to each organization of which he/she is a member. Each coach or sponsor will set his/her own policies regarding absences. It is the student's responsibility to contact the adult in charge at least one day prior to an expected absence. Following an unanticipated absence, a parental note should be presented to the coach/sponsor.

Students may not participate in tryouts, practices or games if they were not present for at least four hours of the school day, unless they were absent for a school related activity such as the Science or History Fair.

FHSSA Membership

Trinity Catholic School is an active member of the Florida High School Sports Association. All Trinity sports are played using FHSSA rules: <http://www.fhsaa.org> . All referees are FHSSA qualified and approved. All Trinity coaches have been fingerprinted, background checked and approved by the Pensacola/Tallahassee Diocese to work with students.

All Trinity coaches receive training in compliance with the Diocese and FHSSA rules. Trinity Catholic School adheres to these guidelines yet goes above and beyond to ensure that our student athletes put academics and Catholic values related to good sportsmanship first in all play, on and off the court or field.

Physicals

Any student in Grades six through eight, who intends to try out for any Trinity sports team during the year, must have proof of a physical examination on file in the office at the beginning of the year. Appointments for physicals should be made during the summer after the first week of June and be documented on a FHSA form available in the school office and on the school website: <https://www.trinityknight.org/athletics/>.

Academics

All students must maintain an overall C average with no F's and no more than two 3's and no 4's in conduct to be eligible to play. Grades will be checked by the Athletic Director or another administrator at the beginning of each season/sport. He will check grades at the mid-quarter Progress Reports. If a student is not in compliance at this time, the Athletic Director and teachers will mentor the student to be in compliance, with a warning that if grades are not in compliance by the report card release, the student will be on probation, which can include but not limited to the student not playing/participating/practicing a week or until a time is set by the action plan. An Action Plan will be developed for the student with input from the Athletic Director, Administration, Teacher and Parent. It is the student's responsibility to contact the teacher to remediate the grade or conduct in question. With input from the teacher, the Athletic Director will determine when the student may resume play and practice.

Behavior

Student athletes are regarded as role models for younger students and ambassadors for their school. Student athletes must adhere to all school regulations and classroom rules. Student athletes are required to be respectful of their teachers, coaches and classmates while in school, or on the playing field. Any athlete exhibiting disrespect or unsportsmanlike conduct will be immediately suspended from the team until an administrative review can determine a fitting consequence. Students who misbehave may jeopardize their membership in the sports program. Students who misbehave may jeopardize their membership in the sports program.

Practices and Games

Game schedules are planned by the Athletic Director and posted on the Trinity website. Practice schedules are determined by individual coaches. Student athletes must place a high priority on attending practices and games. The absence of even one member of the team has a negative impact on the team. Each coach will set the policies for absences from practices and games. A team member who is repeatedly absent from practice or games will be restricted from play and may forfeit team membership.

Transportation/Supervision

As Trinity Catholic School does not have sports facilities, all practices and games are scheduled using local facilities. It is the parents' responsibility to arrange transportation for their child to and from practices and games. The designated Sports Pick-up area is on the basketball courts. The *only* time the Sports Pick-up may be used is on practice or game days. When there is an early dismissal to travel for games, the Sports

Pick-up location remains the same and the Athletic Director supervises the students in this area until they have departed from the school grounds. Coaches and teachers may transport only their own children.

Student athletes must stay with the coach(es) for the entire practice. Team members will not be left unsupervised at any time. In the event a coach is late or must leave early, qualified volunteer parents may be asked to supervise student athletes. Trinity coaches are not responsible for siblings and friends of sports team members. Therefore, arrangements must be made to pick up siblings of students who participate in afterschool practices. Under no circumstance may a sibling be left after school unattended while the other child attends their practice or game.

It is critical for parents to pick up their child promptly from team practices and games. Coaches may not leave until every child has been retrieved or is placed in the supervision of an authorized adult.

Fees

Students participating in athletics will be required to pay a sport fee to help cover costs of the sport including but not limited to facility rental, uniforms and equipment, referee fees, and awards. Once a student is selected for a team the fee is due and is non-refundable. The fee must be paid prior to the student being allowed to play in a game. This fee is required of all team members including team managers.

Uniforms

Student athletes are responsible for the proper care of their uniforms. If a uniform is lost or damaged due to student negligence, the student is responsible for the cost of replacement. Uniforms must be turned in to the coach or athletic director after the last game or competition for that specific sport. A student will not be allowed to try out for additional sports if he/she has not turned in their former team uniform. End of the year activities may be denied to students who have not returned their uniforms in a timely manner.

Parents and Team Supporters

Parents and supporters are also role models and ambassadors of Trinity Catholic School. Parents and Trinity supporters are required to demonstrate maturity and good sportsmanship at all times in the presence of the team at practices and competitions or they will be asked to leave the area by the coach or an authorized school representative. Each team has a "Team Parent" to coordinate with the coach.

OFFICE HOURS

The school office is open and the telephone will be answered from 7:15 a.m. until 3:30 p.m. on regular school days. Summer office hours are from 9:00 a.m. until 1:00 p.m. Monday through Friday.

PARENTS AS PARTNERS

Parents are the first educators of their children. Parents and School form a partnership in educating children. Parent cooperation is expected. If the relationship between school and parent becomes irreconcilable, then the school reserves the right to ask parents to seek other educational options for their children. The school asks parents/families to follow the rules, which are in effect to make the educational experience optimum for the child.

Parents are also asked to be the good, Christian example in their behavior, attitude and dress.

PERSONAL POSSESSIONS

Students should refrain from bringing toys to school unless a teacher has issued a special request to bring items to share. Also banned are I-PODS, beepers, radios, CD's and CD players, handheld games, cameras, tape recorders, etc., unless special permission has been obtained from the faculty or administration. Such items may be

confiscated for a length of time to be determined by the principal and a parent will have to come to the Main Office to retrieve the item.

Cell Phones: Cell phones may be necessary for some students to communicate with their family from sports practices or off campus locations. Parents who want their student to have a cell phone for after-school use must complete the cell phone permission form. Cell phones are not allowed to be used on school grounds at any time. They are to be turned off and left in the students' book bag until the student is off of school grounds. If there is any deviation from this guideline, the phone will be confiscated for a period of no less than 24 hours. After which time a parent must retrieve the phone and the phone must be checked into the school office whenever it is brought to school. A second offense may result in forfeiture of this privilege altogether.

Students who need to call home during school hours must use the school land lines, unless they have permission from the office or a teacher.

E-Readers: Trinity Catholic School, in striving to maintain technological relevance in education, is providing the opportunity for students to use e-Readers in accordance with an e-Reader Acceptable Use Policy. This opportunity is a privilege that requires extra caution and responsibility both on the part of the students and their parents. For example, e-Readers are to be used only for the reading of school approved material

and not for other purposes such as communication, entertainment, music, gaming, etc. They may not be used during lunch or during playground/recess time.

E-Readers must be registered with Trinity's Media Center Specialist and accompanied by the Acceptable Use Agreement Form signed both by the parents and the student. This form can be downloaded from Trinity's media center homepage and is available in the media center.

A student who violates any portion of the e-Reader AUP may lose the privilege to use their electronic device for a length of time commensurate with the nature of the violation and at the discretion of the Principal. Trinity is not responsible for any damage or loss associated with e-Readers brought to school.

PETS ON SCHOOL PROPERTY

In general, pets are not permitted on School property. Exceptions must be made by the Principal.

PHOTO PERMISSION

Parent(s) or Guardian(s) of students who attend Trinity Catholic School grant permission for all photographs taken during the academic school year to be used by the Diocese of Pensacola-Tallahassee and/or Trinity Catholic School for either publicity or

advertising. Permission forms must be completed annually and be kept on file in the school office. If a child's photo is selected for publication, the school will attempt to notify the parent prior to publication.

PHYSICAL EDUCATION

The school provides a physical education program that includes supervised games and free play. **Middle school students must change into regulation monogrammed gym clothes and sneakers and socks for classes.** These are available online from Full Press Apparel. Students are not allowed to lend or borrow gym clothing for health reasons. Gym clothes should be laundered at least once a week. **FAILURE TO DRESS OUT WILL AFFECT A STUDENT'S ACADEMIC STANDING IN P.E. CLASS;** and therefore, possibly jeopardize their eligibility to participate in after-school sports as well as academic honors.

PHYSICAL EXAMINATIONS/IMMUNIZATIONS

Florida Statutes require that every child entering school for the first time present certification of a School-Entry Health Exam (DH3040) performed within one school year of enrollment. This form is only available in doctor's offices and upon completion should be turned in to the school nurse. The statutes further require that all children attending public or private schools in Florida show proof of immunization (DH680) for Diptheria, Pertussis, Tetanus, Polio, Mumps, Measles, Rubella, Hepatitis B, Hib and Varicella. In addition, students entering Grade 7 or higher must also show proof of a Tdap (Tetanus-diptheria-pertussis booster).

According to Diocesan Policy, ALL students must present proof of having had the immunizations as required by Florida State Law before being admitted to class. Requests for exemptions based on religious beliefs will not be considered by the Diocese. Medical exemptions to this policy can only be made by Diocesan officials.

Students trying out for after-school sports are required to have a current FHSAA Sports physical examination. This is a different form from the School Entry Examination. FHSAA forms are available on the Trinity website and in the school Front Office.

PICTURES

Early in the fall pictures of the students in their school uniform will be taken. Purchase of the pictures by parents is optional. Retakes are available for pictures taken in the fall and require written authorization from a parent. Class pictures and individual pictures are taken in the spring. Order forms are sent home with the students and information is given in the newsletter as to the date when these pictures will be taken and what attire is permissible. Purchase of the spring pictures by parents is also optional.

PLAYGROUND

Sports and play areas include three separate playgrounds for Pre-Kindergarten, Kindergarten, and Grades 1-5. Basketball courts, a volleyball court, a baseball area, and an open space for games are also available. During lunch periods some areas of the playground may be reserved for physical education classes. Students may not leave the playground or re-enter the buildings during lunch periods without permission from the supervising teacher or lunch parent. Students must travel in pairs when permission is granted. The students must report back to the adult who granted permission.

PRAYERS

Formal prayers are taught in all grades. These are usually found in the back of the religion book for each grade. Parents are encouraged to help their student(s) learn these prayers. Each day begins and ends with prayer, and grace is said before the lunch period. All Middle School classes begin with prayer or meditation.

PROMOTION

Promotion to the next grade is contingent upon the student's satisfactory completion of the grade level curriculum as indicated by earning passing grades. When retention is a possibility, parents will be contacted before the fourth quarter. A student whose end of year average is F in one or more of the seven major subject areas (Religion, Reading/Language Arts, Literature, Math, Science, or Social Studies) must attend summer school or be remediated by a certified teacher. A minimum of 30 hours instruction and a passing grade on a school-administered test are required. Trinity must be provided with official documentation before the student will be permitted to advance to the next grade.

RECORDS

Parents may view their children's records. A request in writing should be made at least 24 hours in advance. Please note that discipline notices (except for expulsion) are not placed in the permanent records. Only the contents of the official file will be forwarded to a new school.

ROOM PARENTS

Each classroom has volunteer Room Parents who assist the teacher in organizing field trips, holiday events, and end-of-year activities. Room Parents also make phone calls to parents for Home and School projects. Volunteers are asked to sign up on Orientation Day.

SACRAMENTAL PROGRAMS

The sacramental programs (First Reconciliation, Communion and Confirmation) are administered by the Diocese through the individual parish programs. Trinity supports the efforts of our parishes to prepare our students to receive their first sacraments.

SAFE ENVIRONMENT PROGRAM

The Safe Environment Program teaches students to protect themselves from inappropriate advances and potential abuse. The certified school counselor regularly visits all classes to present developmentally appropriate information to teach students how to protect themselves from those who might try to harm them. Teachers, staff members and parents are also trained to be alert to signs of sexual and other forms of abuse.

Parents may choose to opt out of these classes if they are not comfortable with the Safe Environment Program and desire to teach their children about these matters themselves. A written note expressing this option must be submitted to the child's homeroom teacher during the first week of school as class visits are scheduled during the first quarter of the school year. Additional visits may occur throughout the year.

SCHOOL ADVISORY COUNCIL

The School Advisory Council serves the Pastor and meets regularly in the school Media Center. The dates and times of these meetings will be published in the school newsletter. Parents and teachers are welcome to attend and observe one meeting a year that will be announced one month in advance. The School Advisory Council assists with the planning, expansion, improvement, financing, construction, and maintenance of the physical plant of the school. The School Advisory Council operates under the Diocesan Commission of Education. Items to be brought before the Council must first be presented to the Executive Committee or administration for placement on the agenda. Its mission is to advise the Pastor and Administration in matters of security, curriculum, finances, marketing/enrollment, and buildings/grounds.

SCHOOL HOURS

Parents may drop students off starting at 7:15 a.m. Supervision will be offered on the Blacktop. **Students MAY NOT BE DROPPED OFF BEFORE 7:15 AM.** Students in Grades 1 through 8 should be on the blacktop lined up by class at 7:40 a.m. Students will recite the Pledge of Allegiance. Then teachers will escort their students to their classrooms. The first bell will ring at 7:50 a.m. A tardy bell will ring at 8:00 a.m. **Students arriving after 8:00 a.m. are considered late and must be checked in through the Main Office by an adult.** If a pattern of lateness is noted, a meeting with school administration will be required to develop an action plan to assist students in timely arrival. Morning prayers and announcements will begin at 8:00 a.m.

Dismissal is at 2:45 p.m. for Pre-Kindergarten and Kindergarten students and the rest of the students are dismissed at 3:00 p.m. Students are required to come to the Main Office outside porch area when their ride does not appear. **The school cannot be responsible for students left unsupervised on the school property after 3:30 p.m.** At 3:30 p.m., any student who has not been picked up will be placed in the after-school program, Beyond the Bell, on an “emergency drop-in basis” and a fee will be charged per student. Following a student’s second placement in Beyond the Bell, a registration fee will be collected per the drop-in policy for after-school care.

Students who walk to Lafayette Park may not enter a vehicle for a ride without prior written parental permission given to the office. Lafayette Park students must come to school every day prepared, with an umbrella or parka, to walk in the rain. In the event of heavy rain or lightening, the children will remain at school until they can safely walk to the park. After 3:30 p.m., the child could be placed in BTB and parents contacted.

Students who participate in after school activities such as chorus, tutoring, clubs, or sports must be picked up from school immediately following the activity or go to the school’s aftercare program. They will not be allowed to go to Lafayette Park. They will then be placed in the Beyond-the-Bell Aftercare program until they are picked up.

SECURITY/SAFETY

Trinity Catholic employs full-time Security Officers. All visitors and parents are required to sign in at the Main Office when visiting or volunteering on the school campus and follow protocol for visitors. The School has monthly Fire Drills, along with lock-down and tornado drills. Security cameras are located throughout the campus.

SERVICE HOURS REQUIREMENTS

Each family should be aware that service is at the heart of Trinity Catholic School. With this in mind, and **acknowledging the obstacles of the COVID-19 Virus**, each family is required to give a minimum of **10** hours of service hours per year to the school community. This commitment will be made by contract at the time of registration for the fall semester.

During each school year, each family is expected to donate service hours to be completed during the school year or, in lieu of these service hours, to contribute a minimum of **\$150** to the school. Service hours are preferred over money given to the school.

The cost of educating each child is significantly more than the tuition that is charged. Therefore, every family will be expected to honor this commitment. Service hours may be secured in many ways—by donation of time, talent, and goods.

The essence of parent participation is a cheerful giver who shares his/her talents, time, and treasures with the Trinity Catholic School family. The requirement for each family is **10 hours** for families with students in Grades Pre-kindergarten through Eighth Grade.

Parents of 8th Grade students will receive **3 hours** of credit toward their **10-hour** service requirement upon payment of graduation fees.

Service hours are to be completed **by April 15th** of each school year. Those families who have not met their **10-hour** commitment and have not been excused will be billed through FACTS at \$15 per hour not completed. Any hours completed after March 1st can be applied to the following school year. You must turn in a Service Hours Reporting Form in order to get credit for hours worked.

It is the responsibility of the Home and School Association to maintain the service hour sheets. Time sheets will be tallied at the end of each quarter and hours will be entered for each event. One hour will be credited for each \$15 of approved donated goods. Goods donated must be listed separately on the reporting form (in the space provided) indicating the value of the goods, what the goods were, and who they were donated to at the school. Receipts must be attached to time sheets for donated goods.

Attendance at an athletic event and/or a social function does not qualify for service unless you are on the organizing committee or in a helping position.

Hours cannot be transferred between families. Family members, however, such as grandparents, aunts, uncles, and older siblings can earn service hours and are welcome to participate. Volunteers must be at least 13 years of age.

Reporting forms are found on the Website www.trinityknights.org and in the Front Office.

Those who cannot fulfill their commitment are asked to contact the Principal as early as possible so that other arrangements can be arranged.

All employees and volunteers working with children, youth, elderly, vulnerable adults, and those responsible for the instruction and guidance of children and youth must complete ALL requirements from the Diocesan Charter BEFORE they can participate in a ministry. The requirements are:

- VECHS Fingerprinting and Criminal Background Check (repeated every 5 years)
- Armatus online courses – Information available in the Front Office

In addition, volunteers who drive youth, children or vulnerable adults to/from appointments, church, field trips, etc. must complete a Driver's Information check and have the required minimum insurance prior to driving.

SOCIAL MEDIA

The school reserves the right to use student pictures in publications and on the school's website. Any parent who does not wish his or her child's picture used must notify the school office in writing prior to the beginning of the school year.

Students can be held accountable for material presented in their social media, including posts about other students, teachers, or the school. Threats are considered serious, and law enforcement may be notified.

Parents should not represent the school on social media without authorization from the school. Civility and personal etiquette are encouraged.

SPECIAL PROGRAMS AND SERVICES

Trinity uses differentiated instruction to serve our students. Special programs for qualifying students include Honors/Advanced classes for Grades 5-8, Gifted classes for Grades 1-5, and Resource support for Grades 1-8. Title I services are offered to those students who qualify.

SPIRIT DAY

One Friday of each month is scheduled for Spirit Day. The students may wear a school spirit shirt in place of uniform shirts. These must be ordered from Full Press Apparel. Ordering information is available on the Trinity Website.

STREAM

STREAM is an acronym for Science-Technology-Religion-Engineering-Art-Math. STREAM integrates concepts that are usually taught as separate subjects in different classes and emphasizes the application of knowledge to real-life situations. A STREAM activity is based around finding a solution to a real-world problem and tends to emphasize project-based learning.

Elementary classes have kits to integrate STREAM into their curriculum. Middle School classes have integration in subjects along with activities to master during recess in the Media Center. STREAM provides the students with ways to embrace their critical thinking skills.

STUDENT INFORMATION SYSTEM

The school participates in the Diocesan student information system known as PowerSchool. All student information is maintained on the school computer. Attendance and grades are filed electronically by teachers and administration for Grades 1-8. Parents may access their child's grades at any time by accessing the parent portal. A personal password will be issued to parents for each of their children who attend Trinity. Parents may also communicate with their child's teacher(s) using this portal. It is the responsibility of the parent to insure their child's privacy by protecting the password. If your child's password is compromised, a new password may be requested by contacting the technology specialist. The school and/or Diocese may deny access to the system if it is deemed necessary. In addition, the system may shut down from time-to-time for maintenance and/or upgrades.

SUBSTANCE ABUSE POLICY

The use or possession of illegal drugs or illegal mood-altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over the counter drugs by any student on school property or while attending or participating in any school-sponsored activity or at any time the student is wearing a school uniform is forbidden. Transgression of this rule will result in disciplinary action, which may include dismissal from school and/or contacting law enforcement - even if it is the first offense.

Any student selling drugs on school property or at school functions will be immediately expelled, and law enforcement may be contacted.

All Diocesan schools are committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse.

If a student exhibits the symptoms or is suspected of substance abuse, the school may require that the student undergo substance abuse testing. A student who acknowledges his/her substance abuse may not need to be tested and will be assisted according to school policy. If results of the test suggest abuse (and the substance was not used on or brought to campus), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in dismissal from the school.

At times, the school may conduct random searches of students' lockers or possessions.

SUPPLIES

A list of school supplies needed for each grade is given to parents at the beginning of the summer via the Website. These supplies should be brought to school on Orientation Day. As a convenience, supplies can be ordered and delivered to your home through ClassBundl.com/order. Although coming to school with appropriate materials is the student's responsibility, parents should check to see that their student(s) has/have what is required. Parents are expected to check regularly to see if their child's supplies need to be replaced. It is not unusual for students to need new supplies throughout the school year. **No other items should be brought to school.** Students who bring unauthorized items to school will forfeit said items for a period of time to be determined by the teacher or administration. The defacing of desks and classroom furniture can be a serious problem. Most of this has been done with "Sharpies" or permanent markers. Therefore, Permanent Markers and Sharpies are not permitted on school grounds. They will be confiscated and NOT returned. (See [PERSONAL POSSESSIONS](#))

TECHNOLOGY

An Acceptable Use Policy for computers and iPads is distributed annually to students and requires a parent and student signature. Any misuse of the computer or iPad may result in loss of this privilege.

Computers for student and faculty use are located in the classrooms, Media Center, and Room 8 of the Middle School building. Students are encouraged to use the computers for class assignments. Eighth Graders are issued iPads for educational use for an additional rental fee.

iPad carts are used in the classrooms to support content learning. Computer/iPad classes and activities are integrated into the curriculum. Computer grades are calculated based on assignments within the subject areas, coordinated by the classroom teacher and Technology and Curriculum Development Director.

TELEPHONE CALLS

Use of the Office phone by students requires the permission of the Office Manager, a faculty member, Assistant Principal, or Principal.

Parents calling the school with a message should give the name and grade of the student or teacher who is to receive the message. Although office personnel are willing to be of assistance when unexpected developments necessitate changes in arrangements, students should be made aware of the day's pick-up or after-school procedure and rainy-day alternatives before they arrive at school in the morning. Valuable educational time may be wasted if a child is concerned about after school arrangements. **Calls regarding dismissal/pick-up arrangements must be received by the school office no later than 2:00 p.m.**

Teachers are not called out of class to speak with a parent. Teacher's messages are placed in his/her mailbox.

TEXTBOOKS

Textbooks for all classes are loaned to the student who is then responsible for them until the teacher collects them. All textbooks must have a functionally protective cover at all times. Clear book covers with adhesive backing are never permitted as they leave a sticky residue on the textbooks. Books damaged by clear contact paper or other damage/loss will require a full replacement fee. Tape should never be applied to the book's surface, inside or out. "Sox" covers must be an appropriate size for the textbook; otherwise, too small a covering can cause too much pressure on the book's spine and damage the binding.

It is also important that parents, students, and teachers note and document a book's condition when they are assigned as this determines whether a student will be responsible for replacing the book at the end of the year. All damage to books or replacement of lost books must be paid for prior to the final report card being issued.

TOBACCO/E-CIGARETTES

Trinity Catholic School is a nicotine-free campus. No nicotine products, tobacco products or E-cigarettes are permitted anywhere on campus at any time or at any Trinity student function. **Use of these products will result in suspension as a minimal consequence.**

TRANSFERRING STUDENTS

When a student is withdrawn from school during the school year, the homeroom teacher will request that all textbooks and library books loaned to the student be returned. Records will not be transferred to another school unless a withdrawal form is filled out. If you find it necessary to withdraw your student(s) from Trinity Catholic

School, please call the Admissions Office to set up an appointment for your exit interview.

TRANSPORTATION

Trinity Catholic School does not offer bus service; therefore, parents must arrange for the transportation of their student(s). Students should never ride with another parent/adult unless the parent has provided the school with specific written instructions. **A PARENT WHO AGREES TO DRIVE A STUDENT(S) ASSUMES LIABILITY FOR THAT/THOSE STUDENTS(S).**

TUITION

The School Advisory Council recommends tuition rates annually. Tuition is paid in **eleven** monthly installments, July through April, and is due by the tenth of the month. All tuition and fees are paid through "FACTS." A completed application must be on file in the school office which determines your preferred method of payment. A student's attendance at school may be terminated if tuition is two months in arrears unless the Pastor/Administration approves a payment plan. If tuition payments or any other monies owed to Trinity Catholic School are not paid in full by the last week of school, students may not be permitted to take final exams. Parents who foresee a problem are responsible for contacting the bookkeeper or the principal to make alternate arrangements. Grades, report cards and transcripts may be held for outstanding bills. The family is responsible for all tuition and fees incurred by the student up to the date of withdrawal.

TUITION REFUND POLICY

The school will notify parents at the time of registration that in the event that the student withdraws from school prior to the beginning of the school year, there will be no refund of tuition paid up to the amount of two months of the total tuition. If the student withdraws from the school during the school year, the following schedule will be nonrefundable:

<u>Student Withdrawal</u>	<u>Nonrefundable Tuition</u>
During the first quarter	¼ of the tuition
During the second quarter	½ of the tuition
During the third quarter	¾ of the tuition
During the fourth quarter	100% of tuition

In the event of a transfer of employment of the parent over 60 miles from their original home, the principal may use his or her discretion in the refunding of tuition and will notify the Schools Office of the Diocese of Pensacola-Tallahassee of his or her decision.

In the event that a student withdraws from the school at any time, there will be no refund **of fees paid. This includes book fees, registration fees, graduation fees, retreat fees or other fees established by the school.**

VPK (VOLUNTARY PREKINDERGARTEN EDUCATION PROGRAM)

Trinity Catholic School offers VPK (Florida's free Voluntary Prekindergarten Program) for 4-year-old students in Pre-K4. This voucher will help parents of 4-year-olds with tuition. This program is available to help make a Catholic pre-school education affordable. Parents of four-year-olds may apply for a voucher at www.floridaearlylearning.com.

WEATHER CLOSURES

Please stay tuned to your local tv/radio stations for current updates regarding severe weather.

Keep in mind that Trinity Catholic School will follow Leon County school closures should they occur. Therefore, if Leon county schools are closed, Trinity Catholic School will be closed.

In most cases, Trinity Catholic School follows Leon County regarding re-openings. Families will be notified if Trinity's plan to re-open differs from Leon County's plan.

WEBSITE

The Trinity Catholic School Web site is located at www.trinityknights.org. The user identification and password will be given to you at the beginning of the school year. You will need this information to enter some areas of the Web site that are not open for general public viewing (newsletter, etc.) As students often forget to bring information home, the Web site is an ideal way to stay abreast of what is happening at school.

WELLNESS

Trinity Catholic School has a “no-food” policy in regards to celebration of birthdays and “Star of the Week” type events. At Trinity, we have multiple children with health concerns. We also have an overall obligation to provide a healthy and nutritious environment for every one of our students. Treats sent from home not only affect your child/children, but also every other child in the classroom. We will still celebrate holidays and other milestone events, e.g. Spanish Festival for 8th Grade, Florida Festival for Third Grade, etc. However, all holiday celebrations will be handled by the Homeroom teacher and the Homeroom parent. Sweets will be allowed in moderation at those events, and that will be decided by the teacher. If treats, on birthdays or any other day of the year, are brought for the class, or other group, without approval from the teacher and/or administration, the treat will be sent home with the child at the end of the day.

APPENDIX A

DISMISSAL

Please help us provide a safe environment for our Trinity family by following these safety procedures while collecting your children at dismissal:

- Check to see that **ALL** your passengers are secured with seatbelts or in the appropriate child car seat. It is the law! It only takes a second for a dangerous accident to occur.
- Please do not have car doors open while your vehicle is moving. If a child fell out of the vehicle, it might be too late for you or others to stop.
- Use of cell phones and participating in other distracting activities while driving can lead to a dangerous environment for our precious Trinity cargo. Please give your full attention to driving safely.
- Please remember that the designated dismissal spots are intended for cars only. Pedestrians should not be **crossing car lines**, and parents should have their children “in hand” while proceeding near these areas.

DISMISSAL TIMES

2:45 PM	Kindergarten, Pre-K4, Pre-K-3
3:00 PM	Grades 1 – 8

Any students who are not picked up by 3:15 PM will be brought to the Main Office Circle by a staff member. No child is ever left unattended. Students will be placed in the Beyond the Bell (BTB) program at 3:30 PM if they have not been picked up by that time. Parents will be responsible for BTB drop-in fees via FACTS or invoice.

Lafayette Park

Students who walk to Lafayette Park may not enter a vehicle for a ride without prior written parental permission given to the office. Lafayette Park students must come to school every day prepared, with an umbrella or parka, to walk in the rain. In the event of heavy rain or lightening, the children will remain at school until they can safely walk to the park. After 3:30 p.m., the child could be placed in BTB and parents contacted.

AFTER-SCHOOL SPORTS PRACTICES AND GAMES:

It is the parents' responsibility to arrange transportation for their child to and from practices and games. Parents should follow their child's regular dismissal procedures when picking up for practices and games. However, when there is an early TCS team dismissal from school to travel for games, the designated pick up location at that time will be on the basketball courts. The Athletic Director or his designee will supervise the students in this area until they have departed from the school grounds. Coaches and teachers may transport their children only.

AFTER SCHOOL EXTRA-CURRICULAR ACTIVITY PICK-UP:

If your child participates in ANY after school extra-curricular activity at Trinity Catholic School, you must pick up your child by 10 minutes after the designated end time (e.g. If practice ends at 4:30, you must pick up your child by 4:40.). All students must be picked up on the black top. In the event that you have not picked up your child by the 10-minute leeway, your child will be admitted to Beyond the Bell and you will be charged.

AUTHORIZED ADULTS FOR PICK UP:

If the parent cannot pick-up his/her child, there must be notification made to the front office.

APPENDIX B

IB MIDDLE YEARS PROGRAM

Mission Statement from the IB: The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment. These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

Academic and Behavioral Discipline Policy Summary

Trinity Catholic School strives to develop responsible, courteous, self-disciplined students whose pride in themselves, their parents, their school, and their community is reflected in their behavior and effort. Students are made aware that they are an integral part of the faith community and that their actions affect themselves as well as the entire community. The ultimate purpose is to develop true Christian character and a sense of integrity and responsibility to establish an atmosphere conducive to academic excellence and to protect the welfare of the individual, as well as the school community.

Therefore, school expectations must be followed by students in order to foster a sound educational climate. Student expectations include: Be prepared and on time; exhibit behaviors that promote learning; show respect for themselves, the learning environment, and others; give their best effort in all assignments and activities; complete all assignments within the deadlines given; and, follow school rules.

If a student does not meet the school's expectations to maintain an atmosphere of academic excellence, there will be a process to acknowledge and communicate expectations that are not being met, and partner with parents to put a plan in place for improvement. If improvement is not made the student may be put on probation in order to continue as a student at Trinity Catholic School.

IB MYP Academic Honesty Policy Summary

Trinity Catholic School places a high value on academic honesty. According to the International Baccalaureate Organization, academic honesty includes a set of values and skills that promote personal integrity. Academic honesty also supports good practice in teaching, learning, and assessment.

Trinity Catholic School students will uphold academic integrity by not committing the following offenses: plagiarism, collusion, duplication, or misconduct. Students will exhibit and encourage academic honesty by actively engaging in their own learning, supporting the learning of others and giving credit to help and outside resources.

IB MYP Assessment Policy Summary

The IB MYP involves a unique teaching and learning philosophy. The teachers at Trinity Catholic School adheres to the requirements of the principles of MYP Assessment as stated in “From Principles into Practice”, and the objectives and criteria prescribed in the individual subject guides which are published by the International Baccalaureate organization for the Middle Years Programme.

IB MYP grades are reported by individual teachers as overall achievement levels using scales predetermined by the IB MYP. The MYP assessment is described as criterion-related, as it is based upon predetermined criteria that are scaled according to their relative importance in each subject area. The IB MYP identifies a set of objectives for each subject group, which are directly related to the assessment criteria of that particular subject.

There are four criteria assessed for each subject in the MYP. This criteria varies for each level in the Middle Years Programme. Achievement levels range on a scale from 0-8 and each level descriptor varies by IB year level either 1 (6th Grade) 2 (7th Grade) or year 3 (8th Grade).

Subject groups must address all strands of all four assessment criteria at least twice in each year of the MYP.

IB MYP Inclusion Policy Summary

We value student diversity and respect individual learning differences, working to meet students where they are and helping them grow through scaffolded support. The IB MYP is designed for all learners and an opportunity for each student to grow and persevere based on their own unique skills and abilities.

In partnership with parents, the school endeavors to equip ALL students with high quality, rigorous instruction and support while developing the skills necessary to be successful and independent upon entering higher education and the workforce. Through inclusion, we honor the IB Learner Profile attributes, creating caring, open-minded students who balance the different aspects of their own lives and needs as well as support the needs of our diverse community.

IB MYP Language Policy Summary

At Trinity Catholic School, all teachers have a role in language instruction. Through language, students acquire knowledge and communicate what they have learned. We aim to develop effective, global communicators through an in-depth study of English as the primary language, as well as instruction in an additional language.

Language and Literature: The primary language of instruction is English. The scope and sequence of our English and Literature middle school curriculum has been created to support the MYP Language Arts aims and objects found in the Language Arts subject guides.

Second Language Acquisition: **IB MYP students have three consecutive years of foreign language instruction. Starting in 6th grade, students choose Spanish or Latin.** Eighth grade students have the opportunity to earn high school credit for either Latin I or Spanish 1, for high school credit.

APPENDIX C

TRINITY CATHOLIC SCHOOL 2020 BACK-TO-SCHOOL PLAN

INTRODUCTION

We have created this plan to aid in navigating the reestablishment of our school community where employees, students, and families feel safe. Every attempt has been made to reduce the impact of COVID-19 conditions upon returning to our school. The guidelines referenced in this plan are based on guidance from the Centers for Disease Control and Prevention (CDC), the Florida Department of Health (FDOH), and our Diocese. We continue to look at best practices in education while listening to the recommendations being made by the Department of Education (DOE), Office of Early Learning (OEL), the National Catholic Education Association (NCEA), the Florida Catholic Conference (FCC). Regular updates will be made to this plan based on information provided by all the organizations mentioned above and applicable federal, state, and local agencies.

Our priorities are:

1. **Safety:** Mitigating and slowing the growth of COVID-19 in the context of a return to work and schools. Understanding that there is inherent risk in returning from social distancing while in a pandemic, we also understand that we are part of a societal decision that accepts balancing COVID-19 risk against the need for life to continue.
 - a) Hygiene Within Classrooms - we will emphasize strong hygienic practice.
 - b) Distance Options - We will offer the option of Distance Learning , using live synchronous teaching.
1. **Presence:** Keeping school open daily. We do not want to burden parents with challenging schedules that require them to stay home and out of work - we want our students at school, in their cohorts, for the full day. This is good for the children's mental health and social growth.
2. **Growth:** Despite limitations, we want our children to continue their academic progress at grade level in their faith and in all core academic standards.

This document will be updated regularly. The school principal will share the updated document on the school website and distribute the updated version to parents via the school information system.

ARRIVAL/DISMISSAL OF STUDENTS

- **Arrival**

Students may not arrive at school before 7:30 a.m.

There will be no play before school or gathering on the blacktop.

Parents needing before-school care between 7am and 7:30am will need to register for Before School Care. (There is an additional charge for this service.)

There will be two drop off car lines, one in the front of the school on Brevard Street and one on the Miccosukee Road side on the blacktop.

Parents attest that their students are not experiencing any symptoms associated with Covid-19 when dropping their child/children off in the morning.

Staff will be at the car lines taking student temperatures as they exit their vehicles.

If the temperature is 100 degrees or higher, the child must go home or be evaluated by our School Nurse. The parent will be contacted to return to the school to pick the child up if the Nurse determines that the child is ill.

If the student's temperature is normal, he/she may enter the buildings with a mask on and report to his/her classroom.

- **Dismissal**

Our regular dismissal procedures will not work. Plans for additional pick up areas and procedures are being developed, addressing the issues of social distancing and mixing cohorts. More information will be forthcoming before school starts.

USE OF MASKS

In general, masks will be worn when:

- Students are inside and
- Social Distancing is compromised.

Masks are required for Grades 1-8 (those children age 6 and over); masks for Pre-K and Kindergarten students may be used at the discretion of the parent. Students in PreK3, PreK4 and Kindergarten will be supplied with face shields to be used when social distancing is not possible in the classroom.

Any exceptions to rules regarding masks must be requested through the Administration.

Masks will be optional, but encouraged when students are at their assigned seats. Each student will be assigned his/her own 3-sided plexiglass desk barrier which will provide additional protection. Masks will be worn when working in small groups in close

proximity to classmates. They will also be worn by student and teacher when teachers are working closely with individual students.

Masks will be worn during transitions (in hallways, going to lunch, recess, specials, etc.) Each student will be given a safety lanyard to which his/her mask will be attached. This will allow masks to stay safe and clean while students are transitioning between inside and outside.

Masks will not need to be worn in Elementary restrooms, since they are single use rooms. They will be worn in the Middle School restrooms.

Masks will not be worn outside nor while eating lunch or snack.

Masks can be Trinity logo (offered through Lands End), Trinity colors, or whatever mask makes your child comfortable. In fact, we are working on ways to make wearing masks fun and trendy. The only thing we require is that masks be appropriate and not have any messaging that may be disruptive to the educational environment.

Staff will be trained to help students with mask rules and in helping students having problems with the masks. The Administration will continue to evaluate the situation.

SOCIAL DISTANCING

Most of our classrooms are large enough to ideally socially distance students 6 feet, no less than 3 feet, while students are seated, facing front. Clear plexiglass dividers (desk barriers) are also being provided in order to protect students and staff.

When social distancing is not feasible, masks will be required (transitions, Mass, small group work.)

The goal is to socially distance as much as possible.

Each grade level will be a cohort or group of people treated as a group. Grades will not mix with other grades during the school day.

BEGINNING OF SCHOOL/ORIENTATION/CALENDAR

- **Orientation**

There will be two days of Orientation this year, August 6th and August 7th. We will stagger families coming in to meet the teachers, visit classrooms, and drop off supplies.

Thursday, August 20th - 9:00 a.m. - 10:00 a.m. - **New Families**
10:15 a.m. - 11:30 a.m. - **A - F (Last Name)**

Friday, August 21st - 9:00 a.m. - 10:00 a.m. - **G - O (Last Name)**
10:15 a.m. - 11:30 a.m. - **P - Z (Last Name)**

If you cannot attend your assigned family time, please attend another session.

NOTE: There will be no large orientation group meetings nor new family gathering.

- The first full day of school is Monday, August 24th. Please note that if conditions and directives change, dates are subject to change.

MIDDLE SCHOOL SPECIFICS

- **Lockers**
Locker procedures will be changed. Our Middle School Faculty and Staff are working on a planned use of lockers; considerations being staggering times, spacing students within each grade, and use of cubbies and backpacks. More specifics are coming. (Each grade will be treated as a cohort.)
- **Changing Classes**
Students will change classes observing one-way travel and social distancing in the hallways. They will go to their daily scheduled classes and teachers.
- Each Middle School student will be issued a portable plexiglass desk barrier and chromebook for use at school. They will leave both at school daily.
- Students will not dress out for P.E. until further notice.

LUNCH/SNACKS

Students will be socially distanced during lunch with no masks.

Different areas of the campus will be utilized to distance students, including the Parish Hall, Pavilion, and classrooms.

Food deliveries are not allowed. We will not be using Campus Cuisine in order to limit the number of visitors on campus.

Students must bring their own lunches.

Food supplied as class snacks for those classes utilizing Community Snack must be commercially pre-packaged.

Lunch areas will be sanitized after each use.

Each student must have his/her own reusable water bottle, supplied by the parent. Students will not be allowed to use the water fountains except for refilling water bottles.

RECESS

Students will be able to enjoy a daily recess.

Students may have recess with their cohort (grade level) only.

Recess materials will be sanitized afterwards.

If recess is outside, masks will not be required. Students will have their masks with them at all times attached to their lanyards. This will allow a safe transition from inside to outside, and back inside.

SPECIAL AREA CLASSES

Students will enjoy our special area classes. PE, Art, Music, Library, Foreign Language, and Technology.

Protocols are developed individually for each area, since they are all different.

- P.E. - Sanitation of equipment between uses. No dressing out into PE uniforms for Middle School. No masks outside.
- Art - No sharing of materials. Each student will have his/her own art box carried with them to Art. Student areas and any shared material will be sanitized after class by the teacher. Students will be separated by plexiglass partitions at their tables in the Art room.
- Music - We are still planning. It is unlikely we can do much singing or using shared instruments.
- Library - Children will enjoy the library, with procedures to be determined.
- Technology - Shared technology must be sanitized between uses (keyboards, monitors, work areas.)

ADDRESSING LEARNING NEEDS

Because of the pandemic, some student learning was hindered, creating gaps in education. In order to address this issue, students must be assessed early in the school year, at the end of the First Semester, and in the Spring of 2021.

The Diocese and the state's Catholic Schools will be giving the BEACON, an assessment tool from Terra Nova, in August/September to each student in Grades 3-8. This is an online assessment consisting generally of four subtests, about 45 minutes each, depending on the grade. This will give us a baseline. BEACON will be given again in December to measure gains in each student's education. Our school will also use IXL and STAR Reading/Math as markers for assessment of learning. This testing plan will allow teachers to address learning gaps of their individual students and classes.

LARGE GATHERINGS/MASS

Large gatherings are not allowed “as usual” for our campus.

Large assemblies will not be possible. This affects student assemblies (like VIP) and Home and School Meetings.

This also affects our school Masses. We cannot celebrate Mass as an entire school at this time. Instead, we are working on a 2-week schedule that allows attendance for Grades 1-8. Masses will be live-streamed to allow Kindergarten to participate in weekly Mass.

- Monday - 9:45 a.m. - Grade 1 and 2 alternating
- Tuesday - 9:45 a.m. - Grade 3 and 4 alternating
- Wednesday - 9:45 a.m. - Grade 6 and 8 alternating
- Thursday - 9:45 a.m. - Grade 5 and 7 alternating

This plan is subject to change.

Protocols are directed by our Parish, including:

- Masks must be worn when attending Church and kept on except when receiving Holy Communion.
- Music will be limited.
- The grades will attend as cohorts and will be socially distanced.
- The Church areas will be sanitized afterwards by Staff.

Mass uniforms are allowed but **will not be required.**

SAFETY PROTOCOLS

Trinity has put in place many protocols in order to protect students, teachers, and staff while on our campus. They include:

- Plexiglass partitions for students and office. These will be supplied by the school.
- Lanyards (tear-away) for students to hang masks on when not in use. These will be supplied by the school.
- Touchless soap dispensers, sinks, and paper towel holders in restrooms and classrooms.
- Touchless hand sanitizers in hallways.
- Touchless water bottle fillers in buildings.
- Touchless water fountains outside.
- Upgraded filters in the air conditioning system.
- Seating Charts in each classroom to aid in contact tracing.
- Infrared thermometers.
- Additional janitorial staff with additional sanitizing responsibilities.
- Janitorial staff using a vaporizing disinfectant machine to rapidly sanitize certain areas.

- Teachers sanitizing between classes using common areas.
- Thoroughly cleaning after hours.
- Use of an isolation room if students are exhibiting symptoms of Covid-19.
- **New Rule - Students/Staff must be fever-free for 72 hours without fever reducing medication. If the student feels well enough, he/she may participate in Distance Learning.**

VISITORS

During this time, visitors will be very restricted. Visitation by appointment only via the main office will be allowed until further notice

Parent Volunteers during the day are not allowed at this point in time.

Visitors on campus will report to the Front Office, have their temperature checked, and answer COVID-19 potential exposure questions. They may be asked to sign a waiver and will wear a face mask while being escorted.

Parents checking students in or out must wait until called into the Front Office, wear a mask, and observe social distancing rules.

UNIFORMS

Mass uniforms will not be required at this time for Mass attendance. They are optional.

Middle School students will not dress out for P.E. until further notice.

Short pants are suggested for boys.

TRAINING

We will all have to be trained in the “new norm” of attending school.

Training has occurred and will continue for the Office Staff, Summer Camp, and Janitorial/Maintenance staff.

Protocol/Safety training will be given to all Faculty and Staff in early August before school begins.

Students will receive safety instruction during the first days of school.

AFTER-SCHOOL ACTIVITIES

- **Beyond-the-Bell**

We will continue to offer our After School Program. Students will be grouped in small cohorts based on grade/age. Protocols will be followed.

- **Athletics**

Our Athletic Director and the Florida High School Athletic Association/FHSAA, of which we are a member, will follow rules and directions for our Middle School athletic activities.

- **Other Extracurriculars**

Other extracurriculars will be analyzed and evaluated to determine the feasibility of the activities.

- Events will be evaluated monthly to determine if they can be offered.
- Field Trips are not allowed until further notice.

DISTANCE LEARNING

Distance Learning will be offered for Grades 1-8. Pre-K3 and Pre-K4 will not have the Distance Learning option. Kindergarten will use a different model.

Trinity will offer our parents two options:

1. On Campus - regular learning. In the event of illness or changes in the family situation, students may move from "brick and mortar" to Distance Learning immediately.
2. Distance Learning - Live streamed synchronous learning. Students will sign-in live to their classes and receive the class instruction from their teachers. They will be able to interact with teachers and classmates.

Students at home will have the same assignments as their classmates. Parents will be responsible for discipline and monitoring their child at home.

Students may leave the computer monitor during snack, lunch, recess, and other "down times".

PE, Art, and other Special Area classes will not be "live". Teachers will present a mini-lesson and assignment to complete for a grade.

Students should wear their uniforms when "attending school", even in a distance learning environment. This sets the tone for learning. They should not be eating or participating in other distracting activities during the live class.

Technical upgraded equipment has been ordered and is being installed. However, there is a chance all components may not be ready to go on August 10th.

During the time when live streaming is not happening, there will still be some limited teacher contact, and work will be given for students to complete. Most of the early work given should be review. Once in place, this distance learning delivery system is one of the best models available.

Students may move from Distance Learning back to “brick and mortar”, but parents will need to provide the school a one week notice before being allowed to do so.

“WHAT IF’S”

What happens if:

- A student gets sick or exposed to COVID-19?
- A teacher/staff member gets sick or exposed to COVID-19?
- A Family member gets sick with COVID-19?

Much of this protocol will be under the direction of the Leon County Health Department. Our School Nurse will report the situation to our Health Department, and they will give us appropriate direction and guidance. In the event the Health Department notifies the school that there is a positive case involving the Trinity community, we will act as they advise. It is very highly unlikely that they would advise us to temporarily move instruction to Distance Learning for everyone. Our school is creating a contingency plan for that unlikely situation.

Again, we have created this plan to aid in navigating the reestablishment of our school community where employees, students, and families feel safe. Every attempt has been made to reduce the impact of COVID-19 conditions upon returning to our school. We will continue to update our school family on a regular basis, using a variety of platforms.

Finally, we are one body with many parts. We trust that God will continue to give us the strength and grace we need to get through these times, together. Many blessings to you and your family.

APPENDIX D

OFFICE FOR CATHOLIC SCHOOLS DIOCESAN SCHOOLS RETURN TO CAMPUS PLAN

For Fall 2020 in response to COVID-19

The Office for Catholic Schools and its principals and directors, in collaboration with the Florida Department of Education, Florida Catholic Conference of Bishops, local health officials, and other Diocesan staff, have worked diligently to develop a school Return to Campus Plan that allows students to continue their studies through processes that reduce health-related risks while maintaining an environment in which our students encounter quality academics, learning with the recommended campus and classroom modifications needed to support students' safe return to school in August 2020. Some schools may offer a virtual education option. The driving force by which all decisions are made is the safety of our students and faculty/staff. Social interaction and Catholic Immersion are integral elements of Catholic education that will be primary focuses as well.

"The AAP strongly advocates that all policy considerations for the coming school year should start with a goal of having students physically present in school," according to their guidance. These coordinated interventions intend "to mitigate, not eliminate, risk" of SARS-CoV-2." [Association of American Pediatrics Guidance on School Re-entry](#)

Our schools and early learning centers will provide on-campus updates regularly based on the guidance of local and state health officials. School principals and directors will share updated information with parents via their established communications channels. Please understand that the situation is fluid and plans may be adapted as more information and guidance becomes available, with decisions erring on the side of the health and safety of students, faculty, and staff.

SECTION I: SCHOOL PROTOCOL

TEMPERATURE SCREENING & HEALTH PROTOCOL

Students, teachers, and staff will receive mandatory temperature checks daily, upon arrival. Anyone with a temperature of 100.4F or above, or any concerning symptoms, will be placed in a separate location to be sent home immediately. Protocol for returning to campus will be evaluated based on symptoms, health department guidance, and physician advice. Random and/or scheduled temperature checks may be administered throughout the school day. Anyone with a temperature of 100.4F or above or feeling ill should stay home to maintain a healthy school campus.

Regarding health protocol and when students or faculty/staff must quarantine or return to campus, schools and early learning centers will follow the guidance of their local health department.

VISITOR PROTOCOL

- To minimize risk, our new Visitor Protocol puts strong limits on visitors entering our school during this pandemic. While we love having our parents volunteering and being in our schools and early learning centers, only visitation scheduled through the main office by advance appointment will be allowed until further notice, due to the potential exposure.
- All visitors/guests on campus will report to the main office and have their temperature checked. Temperature checks and potential exposure to COVID questions will be asked. Visitors

may be asked to sign a waiver and follow the mask protocols of the school while being escorted around the campus. Any visitor with recent positive COVID-19 results will only be allowed back on campus with documentation of a negative COVID-19 result.

- For schools that have a food service program, if a student forgets his or her lunch, lunch will be provided by the individual school's food service program. Parents/guardians will not be allowed to bring/deliver lunches from home or food/beverages from outside eating establishments to school.
- If a parent provides snacks for a class, they must be store-purchased and individually store-wrapped and sealed. No homemade snacks may be brought in for students.
- Parents must follow their student's school arrival and dismissal procedures. Expect limitations to walking your student(s) to class, depending on the protocol of the school.

CLEANING & DISINFECTING

Enhanced cleaning protocols have been established to disinfect the campuses daily. High touch surfaces will be regularly disinfected throughout the school day. It is very important that all employees understand the safety requirements, protocols and expectations to ensure that everyone and their communities stay safe and prevent the spread of the virus. We will structure the training plan to effectively disseminate information to all teams and audiences. Teachers and staff will be provided the necessary cleaning and disinfecting materials. All teachers and students are asked to avoid visiting another classroom unnecessarily. Employees will disinfect their own personal workspace (teacher desk, phone, etc.) throughout the day, giving special attention to commonly-touched surfaces only. Staff will be trained in sanitation and hygiene instruction. Students will be trained and reminded about proper hygiene while they are at school.

The safety of our employees and students is our first priority. Upon reopening, our schools and early learning centers will have been completely cleaned and disinfected, and we will continue to adhere to all necessary safety precautions. In addition to the deep cleaning of the office and school/center before employees and students return, the cleaning steps outlined below are to be taken to disinfect workplace surfaces, chairs, tables, etc. to protect employees and reduce the risk of spread of infection. We will require employees to maintain this safety standard by continuously cleaning and disinfecting based on the frequency stated below.

GENERAL DISINFECTION MEASURES

Category	Area	Frequency
Workspaces	Classrooms, offices	At the end of each use/day
Appliances	Refrigerators, microwaves, coffee machines	Daily
Electronic Equipment	Copier machines, shared computer monitors, TVs, telephones, keyboards	At the end of each use/day and/or between use

General Used Objects	Handles, light switches, railings, and other commonly-touched areas	Daily
Buses	Bus seats, handles/railing, belts, window controls	At the end of each use/day
Common Areas	Cafeteria, library, conference rooms, gyms, sinks, restrooms, common areas	At scheduled time(s) in the day

PREVENTIVE MATERIAL INVENTORY

Schools and early learning centers will have

1. An adequate supply of soap, disinfectant, hand sanitizer, paper towels, and tissues.
2. A supply of gloves, masks, and other protective gear.

MASS, ASSEMBLIES, AND LARGE GATHERING ARRANGEMENTS

Mass protocols should follow the procedures established by the school's pastor or chaplain. Assemblies and large gatherings will follow parish guidelines for Mass. Updates to these arrangements will be communicated to the principals and directors. When assemblies and large gatherings become feasible, school and center staff will ensure that rooms are regularly sanitized and disinfected. They will establish necessary social distancing protocols at that time.

SPORTING EVENTS

Attendees at all public sporting events will be required to follow social distancing protocols set forth by Public Health Code and all local city ordinances and restrictions.

LOCKER ROOMS

Locker rooms will remain closed until further notice. Upon the reopening of locker rooms, students will stay 3 to 6 feet from others as a normal practice, eliminate contact with others as much as possible, and avoid touching surfaces touched by others to the extent feasible. No showers are permitted.

CAFETERIA AND MEAL PERIODS

Cafeteria employees and volunteers will follow the prescribed protocol for PPE while preparing and distributing food.

Unnecessary contact with others is discouraged and should be eliminated. Students and staff should avoid touching surfaces touched by others. Tables, trays, and other commonly-used items will be disinfected between each lunch period. The sharing of food between students is not allowed. Signage indicating capacity limits will be placed on the doors of the cafeteria. Classrooms and outdoor space may be utilized for lunches to prevent being over capacity when needed. Staggering lunch periods may be considered if it becomes necessary to limit the number of people in the cafeteria at any one time.

The cafeteria and food preparation rooms will be regularly sanitized and disinfected. School and center staff will use a log to document cleaning times.

WATER BOTTLES

Water fountains will not be used, and it is recommended that students bring in their own water bottles.

STRATEGIC SOCIAL DISTANCING AND PROTECTION

Whenever possible, employees, students, parents, guardians, and visitors should practice strategic social distancing to avoid physical contact with others. Physical distancing in the classrooms between desks will be set up for students. Students will enter and exit the classroom through separate doors where possible. Incoming students will not enter the classroom until all outgoing students have left. Classes may alternate use of the cafeteria and other campus areas such as outdoor spaces to maintain reduced capacity and strategic social distancing protocols. Scheduled restroom breaks will be staggered when possible. Restroom capacity will be determined based on the number of sinks. Recess schedules will be created that allow for proper social distancing between students and staff and prevent mixing of class cohorts during recess. Individual schools and early learning centers, reviewing the safety protocols recommended by the Center for Disease Control, American Academy of Pediatrics, the Office for Catholic Schools and their local public school districts, and other county and/or municipal agencies (hereinafter the Agencies), will implement social distancing, mask usage, signage, barriers, the use of an isolation room, and/or other safety measures based on the collective information, recommendations, and guidance from these Agencies. Decisions made will err on the side of the health and safety of students, faculty, and staff.

SECTION II: ACADEMIC AND PROGRAMMATIC INFORMATION

ACADEMICS & ELEARNING

The 2020-2021 school year will begin on campus in August with the expectation that specific health and safety procedures will be required. In the event that a student tests COVID-positive or is placed under quarantine but is well enough to participate in lessons, eLearning may be made available to that student. Teachers in a comparable situation may receive the same consideration. Options for eLearning beyond the above situations will be a site-based decision.

Schools will gather data through beginning-of-the-year baseline assessments. STAR Reading and Math benchmark assessments, DRC Beacon assessments, or other beginning-of-the-year standards-based assessments will be used. Faculty and staff will analyze the data from the baseline assessments to determine where the instructional gaps are with each student. Since students will have been out of school for approximately 20 weeks by the time school begins in August, we expect there to be larger gaps than if they were just out for the summer, especially in K-2 since they are foundational grade levels.

EXPECTATIONS OF PARENTS/GUARDIANS

It is of utmost importance that parents use all communication channels (e.g. PowerSchool, PowerSchool Learning, Remind, School Messenger, Google Classroom, email, phone) regularly to ensure your student's optimal academic progress throughout the school year. Diverse platforms of communication will be made available to the parents to facilitate two-way communication with the school.

In the event that eLearning is necessary, the same level of rigor is expected of students on campus and those engaged in eLearning. It is very important for parents to provide a home environment that allows

students to focus on learning. Unless there is a medical reason, parents must ensure that their student attends classes daily, whether on campus or by eLearning. Parents should ensure that the student maintains a healthy routine (e.g. nutrition, sleep) that is conducive to learning.

For additional resources, please visit the Florida Department of Education Reopening Plan at <http://www.fldoe.org/core/fileparse.php/19861/urlt/FLDOEReopeningCARESAct.pdf>

STUDENT PRIVACY AND SAFETY

Students' privacy will be maintained throughout the learning process following the directives of HIPPA and FERPA. The school or center will ensure that sanitizing, cleaning, and disinfecting the campus and maintaining appropriate social distancing when feasible will be conducted at all times following the directives of national and local health agencies.

STUDENT WORKLOAD

Students must attend all scheduled classes and complete all class assignments whether on campus or in eLearning. School policies for homework and academic integrity still pertain.

CONTINUATION OF SERVICES

The school will work to ensure that classes will be delivered rigorously and consistently, whether on campus or by eLearning. Expectations of students in completing all academic requirements are the same whether classes are delivered on campus or by eLearning. Faculty are expected to ensure that the same instructional minutes will be allotted to classes whether they are taught on campus or by eLearning. Special services will be provided to all qualifying students whether the student is attending school or participating in eLearning.

CATHOLIC IMMERSION

Our Catholic identity is woven within the lessons that are delivered by our mission-driven teachers. No matter what model of instruction we may find ourselves operating within, we will continue to immerse our students in the daily practice of our faith, integrating Christ across the curriculum. We will gather when feasible with social distancing measures enforced. If virtual learning is required, spiritual development will continue to be at the core of our instruction. Knowing the importance of Holy Mass, sacramental preparation, daily prayer and living our faith, together we will continue to walk as disciples of Jesus.

SCHEDULING

Each teacher is responsible for adhering to the required instructional minutes for each subject per the school's accrediting agency.

STUDENT EVALUATION

Each teacher will develop a method to ensure that appropriate formal and informal assessment will occur for all students. School policies for homework and academic integrity still pertain.

INSTRUCTION

Each teacher will develop a method to ensure that appropriate instruction will occur for all students. Utilization of technology will ensure effective instruction for students in eLearning.

ATTENDANCE

Schools will maintain accurate attendance records, to be recorded in PowerSchool. Attendance will be taken daily in every class. In order to count as “present,” any student not on campus must be logged in to the live delivery of the class.

GRADING

Class assignments will be graded to provide teacher feedback to the student. All students will be held equally accountable for assessments whether on campus or via eLearning. Student progress will be monitored through formative assessment. In the event a student needs extra remediation from the summer, basic skills may be supplemented as needed to help close gaps.

STUDENT ACCOMMODATIONS

Special services will be provided to all qualifying students whether the student is attending school or participating in eLearning by means of the Diocesan Learning Support Plan. Learning Support Plans should be adjusted as necessary to account for accommodations needed in an eLearning environment. Creating an “early warning” system to identify and intervene with students who may be exhibiting academic and/or behavioral concerns will be carried out.

GUIDANCE COUNSELING/MENTAL HEALTH

School counselors will develop systems to address the social-emotional well-being of our students. They should be prepared to assist school personnel, students, and their families with the inevitable emotional issues, such as fear and anxiety, that arise during times of illness, isolation, and uncertainty. They will have resources and lessons ready for both in-school and eLearning environments that will assist teachers and parents in identifying students experiencing mental health issues and offer the necessary support and guidance to help them.

Additionally, staff will review all Learning Support Plans to ensure that documented and agreed-upon accommodations are being implemented with integrity, and they will observe the students to determine their level of success, the consistency with which they receive their accommodations during times of eLearning, or the areas in which they need more support. Counselors will also work to address any parent concerns with Learning Support Plans.

ACCESS TO DEVICES/INTERNET

For schools not able to offer a 1:1 program, families will be notified via school communication channels about possible resources available for eLearning.

TECHNOLOGY USAGE

The school will utilize appropriate technology resources to ensure effective and creative utilization of hardware and software to facilitate eLearning. School Acceptable Use Policies must be followed by all students.

TEXTBOOK/MATERIALS CHECK OUT/IN

Individual schools will develop a plan for the distribution of textbooks/materials to students as needed for eLearning. The plan will ensure safety measures are in place encouraging social distancing when possible. For schools that have online texts, the platform information will be provided to the students and parents.

TECHNICAL SUPPORT ISSUES

Each school is responsible for providing the point of contact information and the process to use to access technical support by faculty and students.

SPORTS AND CLUBS

Individual sites, gathering counsel from the Florida High School Athletic Association, Center for Disease Control, American Academy of Pediatrics, and local guidance, will make decisions regarding sports and clubs being offered and participation requirements. Schools may offer virtual clubs in some instances. Decisions made will err on the side of safety for our students and faculty/staff.

THANK YOU

Thank you again for choosing Catholic education. We are privileged to partner with you as we educate the minds and form the hearts of our students. May God bless us all this school year.
